REGULAR MEETING OF THE PLANNING COMMISSION
OF THE CITY OF WATSONVILLE
COUNCIL CHAMBERS
275 MAIN STREET, 4th FLOOR, WATSONVILLE, CALIFORNIA

June 2, 2020

In accordance with City policy, all Planning Commission meetings are recorded on audio and video in their entirety, and are available for review in the Community Development Department (CDD). These minutes are a brief summary of action taken.

1. ROLL CALL

Chair Matthew Jones, Vice-Chair Anna Kammer, and Commissioners Ed Acosta, Jenny T. Sarmiento, and Jenni Veitch-Olson were present. Commissioner Phillip F. Tavarez was absent.

Staff members present were City Attorney Alan Smith, Community Development Director Suzi Merriam, Principal Planner Justin Meek, Associate Planner Ivan Carmona, Assistant Planner Sarah Wikle, Recording Secretary Deborah Muniz and Administrative Assistant II Elena Ortiz.

2. PLEDGE OF ALLEGIANCE

Chair Matthew Jones led the Pledge of Allegiance.

3. PRESENTATIONS & ORAL COMMUNICATIONS

A. PRESENTATION ON STATE LEGISLATION ON THE PERMITTING OF ACCESSORY DWELLING UNITS

The presentation was given by Associate Planner Ivan Carmona.

Associate Planner Carmona, in answering Commissioner Kammer, stated he anticipated an increase in demand for permits to build Accessory Dwelling Units (ADU) on properties. He added that recent legislation reduced fees for new ADUs.

In answering Commissioner Sarmiento, Associate Planner Carmona stated that those interested in building an ADU should contact City staff for information on requirements.

Associate Planner Carmona, in answering Chair Jones, explained that new ADUs could be attached or detached from the existing housing unit.

In answering Commissioner Sarmiento, Associate Planner Carmona stated that City staff was exploring the creation of a program that would financially aid low-income residents when building ADUs.
Principal Planner Meek added that staff would be presenting a new ADU ordinance at the following Planning Commission meeting.

Watsonville resident, Christina Granados, inquired about how state law affects homeowners in HOAs and whether she would be eligible for converting an existing garage as an ADU in the Sea View Ranch subdivision.

Associate Planner Carmona explained that state law has been changed to nullify HOA provisions that restrict ADUs in areas zoned for single-family housing. The housing area where Ms. Granados lives is zoned multi-family planned development. State law does not apply to this type of housing for converting existing garages into ADUs.

Principal Planner Meek added that ADU law was designed to accommodate the construction of more ADUs in areas zoned for single-family housing but not in multi-family, planned developments.

4. CONSENT AGENDA

A. MOTION APPROVING MINUTES OF MAY 5, 2020 REGULAR MEETING

MOTION: It was moved by Commissioner Jenni Veitch-Olson, seconded by Vice-Chair Kammer, and carried by the following vote to approve the Consent Agenda:

Suzi Merriam, Secretary  
Planning Commission

Matthew H. Jones, Chair  
Planning Commission
Hello Members of the Advisory Board,

Firstly, I would like to apologize for the sudden cancelation of today’s meeting. We will be sending you all an email invitation to our next Advisory Board Meeting which is to be scheduled for a later date.

Lt Raymundo and I had a wonderful time off and we are grateful to all those who stepped in to help continue the mission of the Salvation army while we were away. A big shout out to the employees and volunteers of the Watsonville Corps!

As you may know, The Salvation Army is currently responding to the fires that are impacting our communities throughout Northern/Central California. Below, you’ll find an update on the response that The Salvation Army has provided for us to share with you all.

**UPDATE: N. CA Fires 8/26/202**

We are currently responding to the fires impacting Santa Cruz, Monterey, San Mateo, Santa Clara, Carmel, and San Jose. Our Incident Management Team is doing an incredible job: Capt. Marcos, Ed Covert, Doug (from Camp), Capt. Kevin Pope, Lt. Ezequiel Hernandez, Lt. Miguel Morales, Lt. Raymundo, Capt. Manuel Gaytan, Major John Bennett, Capt. Ryan Miller and a bunch of volunteers from Assemblies of God Santa Cruz and the Corps. Please send encouraging messages to the names above if you feel moved to. They are all working very hard as the hands and heart of Christ.

We are feeding at the following 9 shelters for the fires alone. In addition to these 9, they are also cooking and delivering to homeless and 3 COVID19 shelters. So far we have served approximately 4000 meals for fire response. The meal counts below reflect per day feeding. We are serving at:

**Santa Cruz**
- Best Western- 75 meals
- Quality Inn- 71 meals
- Holiday Inn Express- 90 meals
- Comfort Inn and Suites- 80 meals
- Hotel Paradox- 150 meals

**Watsonville:**
- Motel 6: 6 meals

**Monterey:**
- Rodeway Inn Hotel 40 occupants (80 meals)

**Carmel:**
- Mission Inn Hotel 40 occupants (80 meals)
- Carmel Middle School 10 occupants

**Closed locations we fed at:**
- Cabrillo College
- Carmel Middle School
- First Congregational of Soquel
- Coastland Church-
- First responders were fed on Day 1.
- Turlock Travelodge-
- Mariposa Lodge-
- Miners Inn-
- Mariposa Fairgrounds
Fire Update:
14,000 Firefighters on the front lines

SCU Lightning Complex (Santa Clara Unit)
363,772 Acres Burned, 15% containment
18 structures burned

CZU (Santa Cruz Fires)

Santa Cruz County Regional Transportation Commission (RTC)
September 03, 2020 Meeting Highlights

Public Hearing: Measure D: Five-Year Programs of Projects for Regional
Projects and Community Bridges Lift Line
The Commission received input from the public on the Fiscal Years (FY) 2020/21-
2024/2025 five-year programs of projects throughout the Santa Cruz County
region funded by Measure D, and adopted by resolution the updated Measure D 5-
year programs of projects for the regional and RTC oversight projects. The
categories of funding include Active Transportation, Highway Corridors, Rail
Corridor, Highway 17 Wildlife Crossing, San Lorenzo Valley-Highway 9 Corridor
Improvements, and Community Bridges-Lift Line. Measure D funds will be
leveraged to seek additional grants to deliver the projects listed in the 5-year plan.

TIG/m Rail Vehicle Demonstration
TIG/m presented a video simulation of a planned physical rail vehicle
demonstration that was originally scheduled for Fall 2020. The physical
demonstration has been tentatively postponed to Spring 2021, provided COVID-19
restrictions are lifted. The video simulation can be viewed at
santacruzstreetcar.org.

Project List for the 2045 Santa Cruz County Regional Transportation Plan
The Commission received an update of the list of transportation needs for the
2045 Santa Cruz County Regional Transportation Plan. The RTC is responsible for
developing, implementing, and regularly updating the Regional Transportation Plan
(RTP) for Santa Cruz County. Commissioners approved adding project descriptions
to the list, including the southbound off-ramp to Riverside Drive (Hwy 129) and
the Harkin Slough Bridge in Watsonville.

SUBJECT: Approval of the Plans and Specifications and Advertising for Bids for the Construction of Water Well #4, Project No. WA-20-14557 located at 154 Roache Road
AGENDA ITEM: September 8, 2020 City Council

RECOMMENDATION:
Staff recommends Council approve plans and specifications and calling for bids for Construction of Water Well #4, Project No. WA-20-14557 at 154 Roache Road.

DISCUSSION:
The City through its Water Utility Enterprise owns and operates fourteen groundwater wells. These wells provide over 90% of the total water supplied to our customers. If a well becomes unavailable, water can be supplied from another well in the system, thus limiting dependence on a single supply source.

The average City well is almost 50 years old. Four wells are over 65 years old and approaching the end of their useful life. Due to the age of the City’s existing wells, it is necessary that additional well sites be identified and developed to supplement existing sources and maintain our water system’s high level of reliability.

The Water Utility Enterprise and Luhdorff and Scalmanini Consulting Engineers (LCSE) identified potential well sites over the last year. Development of a well site at 154 Roache Road was identified as the best location for a new well.

At the March 10, 2020 meeting, Council approved an agreement with LSCE for design services, including design of this well. Plans and Specifications for the proposed Water Well #4 Project were prepared and are now complete and on file with the City Clerk.

The estimated cost for construction of Well #4 is $670,450. Bid opening is scheduled for October 15, 2020. The Plans and Specifications are on file in the City Clerk’s office.
STRATEGIC PLAN:
Goal 3: Infrastructure and Environment. Long-Range Capital Improvement Plan.

FINANCIAL IMPACT:
The engineer’s estimate for the project is $670,450. The project is being funded by the Water Utility Enterprise Fund and is included in the current budget under project account 720-913-7831-14557.

ALTERNATIVES:
Council could choose to not approve this project.

SUBJECT: Approve additive construction change order #4 with Granite Rock Company, a corporation for the City’s Rail Trail project, Project No. CT-19-02 for water line work at a cost not to exceed $120,135.00 from the Water Enterprise Utility fund

AGENDA ITEM: September 8, 2020 City Council

RECOMMENDATION:
It is recommended that the Council adopt a resolution to approve an additive change order with the Granite Rock Company, a corporation, to install a new water line at a cost not to exceed $120,135.00 on the Monterey Bay Sanctuary Scenic Trail Segment 18 – Ohlone Parkway to Watsonville Slough Trail Trailhead Project, CT-19-02.

DISCUSSION:
On January 21, 2020, Council approved Resolution No. 1-20 (CM) awarding a $1,451,912.50 construction contract to Granite Rock Company to construct the City’s Monterey Bay Sanctuary Scenic Trail Segment 18 – Ohlone Parkway to Watsonville Slough Trail Trailhead Project, CT-19-02. Segment 18 is being constructed in phases and this project is the first phase.

When construction started, Granite Rock found a water line not shown on the plans. After coordinating with the City’s Water Utility and the Santa Cruz County Regional Transportation Commission (owners of the railroad right of way), water line replacement plans were prepared and City staff directed Granite Rock to provide a cost to install a new one (see attached Water Line Map). The Water Utility Enterprise will provide the materials and Granite Rock will install the line. Staff chose Granite Rock because it is the project contractor and the new water line will be underneath the trail and installed as part of the trail construction. The cost to install the water line is $120,135.
STRATEGIC PLAN:
The project supports Strategic Plan Goal 3 – Infrastructure and Environment as it implements a transportation project that provides pedestrian and bicycle safety.

FINANCIAL IMPACT:
Funding for the water line work will be from the Water Enterprise Fund’s Additional Water Main Replacement Project, Account No. 720-913-7831-14834.

**FILENAME:** 6894 Rail Trail Seg 18- PCO to Install New Waterline
DATE: September 1, 2020

TO: Matthew D. Huffaker, City Manager

FROM: Steve Palmisano, Director of Public Works & Utilities
Maria Esther Rodriguez, Assistant Director/City Engineer

SUBJECT: Resolution approving parking adjacent to 433-445 Main St (SR 152) removing 42’ of "No Parking" designation to allow for short term parking

AGENDA ITEM: September 8, 2020 City Council

RECOMMENDATION:
Staff recommends approving on street parking in front of 433-445 Main St (SR 152) replacing 42’ of "No Parking" red curb with Green short term (20 minute) painted curb.

DISCUSSION:
As Watsonville’s historic Downtown welcomes new housing and businesses, the demand for parking becomes more apparent. Local businesses between Beach Street and Lake Avenue expressed the need for 20-minute spaces where parking is now prohibited to meet the current demand.

City staff evaluated current parking time limits and restrictions along Main Street to maximize parking throughout the day. There is sufficient width to accommodate additional parking spaces in the proposed location and there are a number of businesses that would benefit from some shorter term (20 minute) parking spaces.

Main Street along this segment is State Route 152 and falls under the jurisdiction of the California Department of Transportation (Caltrans). (See Attachment 1- Location Map) In order to implement any parking changes, Caltrans first requires a Council resolution approving parking changes. In order for the City to make the changes, approval from the State District Director is also required. Once the Council resolution is provided to the State via an Encroachment Permit application and then approved, a No Parking Order would be prepared by the Caltrans Traffic Operations Department.

Based on field observations and evaluation, staff recommends approval of on street parking changes adjacent to 433- 445 Main St (SR 152) including the removal of 42’ of
“No Parking” designation to allow for the installation of two short term (20 minute) parking spaces.

**STRATEGIC PLAN:**
The parking changes proposed supports Strategic Plan Goal 3 – Infrastructure and Environment as it supports transportation related improvements.

**FINANCIAL IMPACT:**
None

**ALTERNATIVES:**
Council can choose to not approve staff recommendation

RESOLUTION NO. ________ (CM)

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WATSONVILLE APPROVING PARKING ADJACENT TO 433 – 445 MAIN STREET (SR 152) BY REMOVING 42’ OF “NO PARKING” DESIGNATION TO ALLOW FOR SHORT TERM (20 MINUTE) PARKING

WHEREAS, as Watsonville’s historic Downtown welcomes new housing and businesses, local businesses between Beach Street and Lake Avenue have expressed the need for 20-minute spaces to meet the current demand instead of the present red curb no parking; and

WHEREAS, Main Street along this segment is State Route 152 and falls under the jurisdiction of the California Department of Transportation (Caltrans); and

WHEREAS, in order to implement any parking changes, Caltrans requires a Council resolution approving the parking changes and approval from the State District Director; and

WHEREAS, once the Council resolution is provided to the State through an Encroachment Permit application, and the Encroachment Permit is approved, a “No Parking Order” would be prepared by the Caltrans Traffic Operations Department.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WATSONVILLE, CALIFORNIA, AS FOLLOWS:

That the on-street parking changes adjacent to 433-445 Main Street (SR 152), for the removal of 42’ of “No Parking” designation to allow for the installation of two (2) short term (20 minute) parking spaces is hereby approved.

I also would add that we are very involved locally and believe we are good community partners. For example we have donated lunches for two years in a row for the Digital Nest Nest Flight event, delivered lunches to farm workers, first responders, health care workers and other essential workers. We also donated thousands of sandwiches to evacuees from the recent fires. Despite reduced business due to COVID we have continued to support our employees to ensure they can continue to support their families.

Thank you to city staff and council members for all of your hard work. You could hear your dedication and heart for the community in your questions and engagement with each agenda item. Keep up the good work during these very challenging times.

MEMORANDUM

DATE: September 3, 2020

TO: Matthew D. Huffaker, City Manager

FROM: Steve Palmisano, Director of Public Works & Utilities
       Christian Di Renzo, Assistant Director of Public Works & Utilities

SUBJECT: Authorize City Manager to execute contract with Daniel B. Stephens & Associates, Inc. (DBS&A) for vapor intrusion and groundwater sampling workplan, development of a risk assessment; and semi-annual monitoring report in the amount of $259,569, and an appropriation to the Wastewater Utility Enterprise Fund in same amount

AGENDA ITEM: September 8, 2020 City Council

RECOMMENDATION:
Staff recommends that Council adopt a resolution authorizing the City Manager to execute a contract with Daniel B. Stephens & Associates, Inc. (DBS&A) for consulting services for the development of a Vapor Intrusion and Sampling Workplan for site locations in the vicinity of 1350 Freedom Boulevard; development of a Risk Assessment; and conducting semi-annual monitoring and reporting activities in an amount not to exceed $259,569, and an appropriation from a special litigation settlement proceeds fund to the Wastewater Utility Enterprise Fund in the same amount.

DISCUSSION:
Scope of Work. The scope of work consists of the following tasks:
- Vapor intrusion sampling
- Risk assessment and reporting.
- Semi-annual monitoring report

DBS&A will conduct a series of preliminary assignments before it begins work, to wit: exterior building surveys and site access, and groundwater sampling as a separate task order. This work will inform and facilitate development of the Vapor Intrusion and Sampling Workplan, Risk Assessment, and a Monitoring and Reporting Program (MRP) to be submitted to the Central Coast Regional Water Quality Control Board (CCRWQCB).
Background
The Don Heim & Sons Dry Cleaners business operated at 1350 Freedom Boulevard (corner of Freedom and Martinelli) from the 1970s until a few years ago. The property was owned by Don and Maxine Heim who lease to the business. Don and Maxine sold the business to their son Mark in the 1990s but kept the property for a longer period but eventually sold it to the present owner. The current businesses occupying the property are King Medina Dry Cleaners and Mike’s Hot Dogs.

Perchloroethylene (PCE or PERC) is a solvent used in industrial processes, metal cleaning, dry cleaning, and textile processing. The Heim business used PCE to clean clothes as did dry cleaners throughout the United States at the time. Investigations initiated in 2006 indicated that the dry cleaner released PCE into the City sanitary sewer system. PCE is a dense non-aqueous phase liquid (DNAPL) which is heavier than water and therefore sometimes leaks from sewer pipes and can sometimes percolate down to the underground water.

The 1989 Loma Prieta earthquake allegedly caused minor cracking in the sewer main under Freedom Boulevard. The sewer main was promptly repaired but the Earthquake allegedly contributed to reported leaks of PCE from the City's sanitary sewer main under Freedom Boulevard. Also, sanitary sewers, unlike potable water pipes are not designed to be waterproof.

Samples collected in 2008 indicated the presence of PCE in soils beneath and near the dry cleaner business and the down gradient sanitary sewer main under Freedom Boulevard. Groundwater monitoring wells were drilled in 2008 and 2009. Soil sampling, passive soil vapor sampling, active soil vapor sampling, and vapor well installation were completed in 2013.

Disputes arose between the Maxine Heim as property owner, her son Mark as business owner and the City's Sanitary Sewer Utility Enterprise regarding PCE infiltration into the soil. Mark Heim as business owner sued his mother as property owner and the City as owner of the sanitary sewer. (Maxine had an insurance policy). Between 2012 and 2015 numerous studies were undertaken to determine cause and liability, and in May of 2015, the CCRWQCB requested that the parties submit an assessment plan, a remedial action plan (RAP), and a monitoring and reporting program (MRP) plan to address discharges of waste in the Freedom Boulevard corridor. The property and business owners hired WEST Environmental Services & Technology (WEST). The City hired Weber, Hayes & Associates (WHA).

WHA prepared a Health Risk Assessment (HRA) in 2015 for the CCRWQCB to make risk management decisions to address any potential risk to human health. Chemicals of Potential Concern (COPCs) were identified based on the results of sampling in the crawlspace of buildings in the vicinity and ambient outdoor air sampling, sub-slab soil gas sampling, soil gas sampling and soil sampling. One of the primary COPCs was PCE.

The property owner and business owner settled their lawsuit with the City in September of 2015 funded by money from insurance policies. The Water Utility Enterprise received approximately $1.42 million from the City’s and Heims’ insurance companies in the settlement. The City placed this money in a special fund to pay for the work required of the City in the settlement agreement. All parties also committed to certain remedial action.
They engaged in a period of biotreatment feasibility studies, active and passive soil-vapor sampling, groundwater sampling, and monitoring directed by the CCRWQCB. One of the conditions of the settlement agreement was preparation and submittal of a Corrective Action Plan (CAP) and indoor air sampling work plan.

**Consultant Selection.** On March 30, 2020, staff issued a Request for Statements of Qualifications (RFQs) for vapor intrusion sampling, risk assessment and reporting and semi-annual monitoring reports for the CCRWQCB. The City received thirteen responses. Staff reviewed the thirteen Statements of Qualifications (SOQ) for consistency with the Scope of Work; thoroughness of the proposal and project management approach; firms’ staffing qualifications; and experience managing similar projects. After this assessment staff chose DBS&A which impressed staff by the breadth of scope of their SOQ and the preliminary effort undertaken to assess project design with the CCRWQCB.

**STRATEGIC PLAN:**
This project is consistent with Strategic Plan Goal 3 – Infrastructure & Environment, Long-Range Capital Improvement Plan focus to replace aging facilities and expansion to meet future demand.

**FINANCIAL IMPACT:**
None. This work will be paid for with proceeds from the lawsuit.

Staff requests an appropriation of $259,569 to the Wastewater Enterprise Utility budget account number 710-530-7361-11046, from the $1.42 million dollar Heim settlement fund.

**ALTERNATIVES:**
The City is contractually obligated to comply with the 2015 settlement agreement. DBS&A is the best qualified candidate to do the work. Performance of the work is neither discretionary nor deferrable.

**ATTACHMENTS:**
None

RESOLUTION NO. 1 (CM)

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WATSONVILLE AWARDING CONTRACT TO DANIEL B. STEPHENS & ASSOCIATES, INC., A CORPORATION, FOR THE DEVELOPMENT OF A VAPOR INTRUSION AND SAMPLING WORKPLAN FOR SITE LOCATIONS IN THE VICINITY OF 1350 FREEDOM BOULEVARD; DEVELOPMENT OF A RISK ASSESSMENT; AND CONDUCTING SEMI-ANNUAL MONITORING AND REPORTING, IN AN AMOUNT NOT TO EXCEED $259,569; AUTHORIZING A BUDGET APPROPRIATION FROM THE WASTEWATER ENTERPRISE FUND FOR THE SAME AMOUNT; AND AUTHORIZING AND DIRECTING THE CITY MANAGER TO EXECUTE SAME

WHEREAS, a Request for Qualifications (RFQ) was issued on March 30, 2020, asking for qualified consultants for the development of a Vapor Intrusion and Sampling Workplan for site locations in the vicinity of 1350 Freedom Boulevard; development of a Risk Assessment; and conducting semi-annual monitoring and reporting activities; and

WHEREAS, the deadline for submittal of Request for Statement of Qualifications was April 29, 2020; and

WHEREAS, City staff ranked the proposals received for the consideration of the City Manager and submission to the City Council; and

WHEREAS, the City Manager has recommended that the proposal from Daniel B. Stephens & Associates, Inc., a corporation, in an amount not to exceed $259,569, be accepted as the best response.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WATSONVILLE, CALIFORNIA, AS FOLLOWS:

1. That the proposal of Daniel B. Stephens & Associates, Inc., a corporation, in an amount not to exceed $259,569, is hereby accepted.

2. That the Contract for Consultant Services between the City of Watsonville and Daniel B. Stephens & Associates, Inc., a corporation, for the development of a Vapor...
Intrusion and Sampling Workplan for site locations in the vicinity of 1350 Freedom Boulevard; development of a Risk Assessment; and conducting semi-annual monitoring and reporting activities, a copy of which Contract is attached hereto and incorporated herein by this reference, is fair and equitable and is hereby ratified and approved.

3. Consultant shall file FPPC form 700s and 805s pursuant to section 19 of the Contract.

4. That the budget appropriation of $259,569 from the Wastewater Enterprise Fund [0710] is hereby authorized.

5. That the City Manager be and is hereby authorized and directed to execute the Contract for and on behalf of the City.

6. That all other proposals are hereby rejected.

CONTRACT FOR CONSULTANT SERVICES BETWEEN
THE CITY OF WATSONVILLE AND DANIEL B. STEPHENS & ASSOCIATES, INC.

THIS CONTRACT, is made and entered into this ________________, by and
between the City of Watsonville, a municipal corporation, hereinafter called "City," and

WITNESSETH

WHEREAS, the City needs to obtain certain professional, technical and/or
specialized services of an independent contractor to assist the City in the most
economical manner; and

WHEREAS, Consultant has represented that consultant has appropriate skill,
training, qualifications, and experience to render such services called for under this
Contract to City.

THE PARTIES HEREBY AGREE AS FOLLOWS:

SECTION 1. SCOPE OF SERVICES. Consultant shall perform those services
described in detail in Exhibit “A,” entitled “SCOPE OF SERVICES” which exhibit is
attached hereto and incorporated herein.

SECTION 2. TERM OF CONTRACT. The term of this Contract shall be from
October 1st, 2020 to September 30th, 2022, inclusive.

SECTION 3. SCHEDULE OF PERFORMANCE. The services of Consultant are
to be completed according to the schedule set out in Exhibit “B,” entitled “SCHEDULE
OF PERFORMANCE,” which is attached hereto and incorporated herein. Consultant will
diligently proceed with the agreed Scope of Services and will provide such services in a
timely manner in accordance with the “SCHEDULE OF PERFORMANCE.”

SECTION 4. COMPENSATION. The compensation to be paid to Consultant
including both payment for professional services and reimbursable expenses as well as
the rate and schedule of payment are set out in Exhibit “C” entitled “COMPENSATION,”
which is attached hereto and incorporated herein. This amount shall not exceed
$259,569.00.

SECTION 5. METHOD OF PAYMENT. Except as otherwise provided in Exhibit
“C,” each month, Consultant shall furnish to the City a statement describing the work
performed for compensation during the preceding month. Such statement shall also
include a detailed record of the month’s actual reimbursable expenditures.

SECTION 6. INDEPENDENT CONSULTANT. It is understood and agreed that
Consultant, in the performance of the work and services agreed to be performed by
Consultant, shall act as and be an independent Consultant and not an agent or
employee of City, and as an independent Consultant, shall obtain no rights to retirement benefits or other benefits which accrue to City's employees, and Consultant hereby expressly waives any claim it may have to any such rights.

SECTION 7. ASSIGNABILITY. Consultant shall not assign or transfer any interest in this Contract nor the performance of any of Consultant's obligations hereunder, without the prior written consent of City, and any attempt by Consultant to so assign this Contract or any rights, duties or obligations arising hereunder shall be void and of no effect.

SECTION 8. INDEMNIFICATION. Consultant represents that Consultant has the expertise and experience necessary to perform the services and duties agreed to be performed by Consultant under this Contract, and City is relying upon the skill and knowledge of Consultant to perform said services and duties. Consultant agrees to defend, indemnify and hold harmless City, its officers, agents, and employees, against any loss or liability arising out of or resulting in any way from work performed by or on behalf of Consultant under this Contract or the errors or omissions by Consultant.

SECTION 9. INSURANCE.

A. Auto and Commercial General Liability Insurance. Consultant shall also maintain in full force and effect for the term of this Contract, automobile insurance and commercial general liability insurance with an insurance carrier satisfactory to City, which insurance shall include protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from any actual occurrence arising out of the performance of this Contract. The amounts of insurance shall not be less than the following:

(1) Commercial general liability insurance, or equivalent form, with a combined single limit of not less than $1,000,000.00 per occurrence. If such insurance contains a general aggregate limit, such limit shall apply separately to each project Consultant performs for City. Such insurance shall (a) name City, its appointed and elected officials, and its employees as insureds; and (b) be primary with respect to insurance or self-insurance programs maintained by City and (c) contain standard separation of insured's provisions.

(2) Business automobile liability insurance, or equivalent form, with a combined single limit of not less than $1,000,000.00 per occurrence. Such insurance shall include coverage for owned, hired and non-owned automobiles.

B. Workers’ Compensation Insurance. In accordance with the provisions of Section 3700 of the Labor Code, Consultant shall be insured against liability for Workers’ Compensation or undertake self-insurance. Consultant agrees to comply with such provisions before commencing performance of any work under this Contract.
C. Proof of Insurance to City before Notice to Proceed to Work. Consultant shall satisfactorily provide certificates and endorsements of insurance to the City Clerk before Notice to Proceed to Work of this Contract will be issued. Certificates and policies shall state that the policy shall not be canceled or reduced in coverage without thirty (30) days written notice to City. Approval of insurance by City shall not relieve or decrease the extent to which Consultant may be held responsible for payment of damages resulting from services or operations performed pursuant to this Contract. Consultant shall not perform any work under this Contract until Consultant has obtained the required insurance and until the required certificates have been submitted to the City and approved by the City Attorney. If Consultant fails or refuses to produce or maintain the insurance required by these provisions, or fails or refuses to furnish City required proof that insurance has been procured and is in force and paid for, City shall have the right at City’s election to forthwith terminate this Contract immediately without any financial or contractual obligation to the City. As a result of such termination, the City reserves the right to employ another consultant to complete the project.

D. Written notice. Contractor shall provide immediate written notice if (1) any insurance policy required by this Contract is terminated; (2) any policy limit is reduced; (3) or any deductible or self insured retention is increased.

**SECTION 10. NON-DISCRIMINATION.** Consultant shall not discriminate, in any way, against any person on the basis of age, sex, race, color, creed, national origin, or disability in connection with or related to the performance of this Contract.

**SECTION 11. TERMINATION.**

A. City and Consultant shall have the right to terminate this Contract, without cause, by giving not less than ten (10) days written notice of termination.

B. If Consultant fails to perform any of its material obligations under this Contract, in addition to all other remedies provided by law, City may terminate this Contract immediately upon written notice.

C. The City Manager is empowered to terminate this Contract on behalf of City.

D. In the event of termination, Consultant shall deliver to City copies of all work papers, schedules, reports and other work performed by Consultant and upon receipt thereof, Consultant shall be paid in full for services performed and reimbursable expenses incurred to the date of termination.

**SECTION 12. COMPLIANCE WITH LAWS.** Consultant shall comply with all applicable laws, ordinances, codes and regulations of the federal, state and local governments. Consultant shall obtain and maintain a City of Watsonville business license during the term of this Contract.
SECTION 13. GOVERNING LAW. City and Consultant agree that the law governing this Contract shall be that of the State of California. Any suit brought by either party against the other arising out of the performance of this Contract shall be filed and maintained in the Courts of the County of Santa Cruz.

SECTION 14. PRIOR CONTRACTS AND AMENDMENTS. This Contract represents the entire understanding of the parties as to those matters contained herein. No prior oral or written understanding shall be of any force or effect with respect to those matters covered hereunder. This Contract may only be modified by a written amendment.

SECTION 15. CONFIDENTIAL INFORMATION. Except as may be required by law, all data, documents, discussions, or other information developed or received by or for Consultant in performance of this Contract are confidential and not to be disclosed to any person except as authorized by the City Manager.

SECTION 16. OWNERSHIP OF MATERIALS. All reports, documents or other materials developed or received by Consultant or any other person engaged directly by Consultant to perform the services required hereunder shall be and remain the property of City without restriction or limitation upon their use.

SECTION 17. COVENANT AGAINST CONTINGENT FEES. The Consultant covenants that Consultant has not employed or retained any company or person to solicit or secure the Contract, and that Consultant has not paid or agreed to pay any company or person, any fees, commissions, percentage, brokerage fee, gift, or any other consideration contingent on or resulting from the award or making of this Contract. For breach or violation of this covenant, the City shall have the right to annul this Contract without liability, or in its discretion, to deduct from the contract price or consideration or otherwise recover, the full amount of such fee, commission, percentage fee, gift, or contingency.

SECTION 18. WAIVER. Consultant agrees that waiver by City or any one or more of the conditions of performance under this Contract shall not be construed as waiver of any other condition of performance under this Contract.

SECTION 19. CONFLICT OF INTEREST.

A. A Consultant shall avoid all conflict of interest or appearance of conflict of interest in performance of this Contract. Consultant shall file a FPPC Form 700 disclosure statement, which form shall be filed with the City Clerk within thirty (30) days from the effective date of this Contract as applicable.

B. No member, officer, or employee of the City, during their tenure, or for one (1) year thereafter, shall have any interest, direct or indirect, in this Contract or the
proceeds thereof and Consultant agrees not to allow, permit, grant, transfer, or otherwise do anything which will result in such member, officer, or employee of the City from having such interest.

SECTION 20. AUDIT BOOKS AND RECORDS. Consultant shall make available to City, its authorized agents, officers and employees, for examination any and all ledgers and books of account, invoices, vouchers, canceled checks and other records or documents evidencing or related to the expenditures and disbursements charged to the City, and shall furnish to City, its authorized agents and employees, such other evidence or information as City may require with respect to any such expense or disbursement charged by Consultant.

SECTION 21. NOTICES. All notices shall be personally served or mailed, postage prepaid, to the following addresses, or to such other address as may be designated by written notice by the parties:

Re: Scope of Work and Cost Estimate  
Vapor Intrusion Sampling, Risk Assessment, and Reporting  
Freedom Boulevard and Vicinity (Offsite)  
Watsonville, CA

Dear Mr. Di Renzo:

Daniel B. Stephens & Associates, Inc. (DBS&A) has prepared this scope of work and cost estimate to assist the City of Watsonville with implementation of the vapor intrusion and groundwater sampling workplan dated July 16, 2020. The scope of work consists of the following tasks:

- Vapor intrusion sampling
- Risk assessment and reporting
- Semi-annual monitoring report

Scope of Work

Vapor Intrusion Sampling
This task consists of the following subtasks:

- Building and chemical use survey
- Indoor and ambient air sampling
- Subslab vapor sampling
- Crawlspace air sampling
- Soil vapor probe installation and sampling

As discussed in the workplan, a building survey, a chemical use survey, and a survey of existing HVAC systems will be completed for each property in preparation for vapor sampling. Ambient air screening will also be conducted during the building inventories and chemical use surveys using a photoionizing detector (PID) with a high electron volt (eV) lamp for chlorinated VOCs. This task also includes differential atmospheric pressure measurements. A barometer or differential pressure meter capable of measuring small increments of pressure (e.g., 0.03 inches of mercury) will be used to measure the difference between indoor and outdoor air pressure at each indoor air sample location.

Once property access is granted (under a separate cost authorization), subslab, crawlspace, and indoor air sampling will be conducted at properties identified in the workplan. It is currently anticipated that subslab sampling will be conducted at 6 buildings (two samples per building) and crawlspace sampling...
Mr. Di Renzo  
July 27, 2020

will be conducted at 23 buildings (one sample per building). Subslab sampling devices (Vapor Pin® or equivalent) may have to be installed at some properties. Indoor air samples will be collected at 7 buildings. Some of these locations may change based on the results of the exterior building survey (for example, fewer properties may have crawlspace than anticipated). Ambient air will be collected at three locations in the offsite area.

Soil vapor probes will be installed in public sidewalk wells or adjacent city landscaping at seven locations. The new probes will supplement the existing network of 8 probes in the offsite area. Once installation is complete, the probes will be purged (3x volume) and sampled. Probes will be installed by a California licensed well driller using a hand auger. Waste soil will be drummed and staged for proper disposal. Utility clearance will be completed by a specialty geophysical surveying contractor. A public search service (DigAlert) will also be contacted for utility line locations prior to drilling.

Each vapor sample (ambient air, indoor air, crawlspace, subslab, and soil vapor) will be collected by Summa canister and delivered to an offsite fixed laboratory for analyses by Method TO-15 SIM (ambient air, indoor air, crawlspace) or TO-15 (subslab, soil vapor).

Risk Assessment and Reporting
Vapor data will be compiled and summarized for comparison to current screening levels to assess human health risk. Additional risk assessment calculations will also be conducted in accordance with CalEPA guidance. A report will be prepared to summarize and detail the methods and results of the field sampling tasks and the results of analytical laboratory analyses. Risk assessment methods and results will also be presented and summarized in the report. Preliminary vapor mitigation options will also be included in the report as appropriate. The report will include appropriate data summary tables, maps, and appendices of laboratory reports. A draft report will be prepared for review/approval before a final is prepared for submittal to the Regional Water Quality Control Board.

Semi-annual Monitoring Report
A round of groundwater sampling will be conducted to assist in the development of a groundwater remediation corrective action plan as described in the workplan (under a separate cost authorization). A report of the sampling event will be prepared as a semi-annual monitoring report submittal to the Board. The sampling report will present the methods and results of the field sampling and laboratory analysis. The report will also include data summary tables, time-series plots, and a groundwater flow map in addition to map showing the sampling results.

The groundwater data will also be used to develop a monitoring and reporting program (MRP) for Board review and approval. The MRP will specify which groundwater wells and vapor probes will be sampled in subsequent events. The Board is anticipated to approve a semi-annual sampling program (twice per year). A draft MRP will be prepared for review/approval before a final MRP is prepared for submittal to the Board.
Mr. Di Renzo
July 27, 2020

Estimated Cost

The scope of work is summarized along with an estimated cost in Table 1. This is a time-and-materials (T&M) estimated based on the current understanding of the project tasks and the conditions discussed above. Work will be conducted in accordance with the Contract for Consultant Services between the City of Watsonville and Daniel B. Stephens & Associates, Inc. dated May 13, 2020.

Our proposed scope of work also includes additional as-needed services that are directed or requested as needed by the city, such as additional data review, meetings, travel, evaluations, or related professional consulting services. DBS&A understands that additional work supplemental to the scope described above may be requested by the city, as needed, and additional cost estimates may be prepared to complete additional work as needed. Additional public participations tasks (e.g., public meetings), if required by the Board or the City, may be completed under a separate scope of work and cost authorization.

If both the proposed scope of work and budget estimates are acceptable, please submit an email approval or purchase order for our file to authorize DBS&A to conduct this work.

Closing

Thank you for the opportunity to support the City of Watsonville. If you have any questions please contact John Dodge at (714) 747-9456.

RESOLUTION NO.__________ (CM)

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WATSONVILLE RATIFYING WATSONVILLE DIRECTOR OF EMERGENCY SERVICES ORDER NO. 2020-03 REGARDING THE CZU AUGUST LIGHTNING FIRE

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WATSONVILLE, CALIFORNIA, AS FOLLOWS:

That the City Council hereby ratifies the Watsonville Director of Emergency Services Order No. 2020-03 signed by the City Manager on August 19, 2020, attached hereto, and incorporated herein by this reference, regarding the CZU August Lightning Fire.

That this Emergency Order shall remain in effect until the Local Emergency Order of the County of Santa Cruz is terminated or fourteen (14) days after all evacuation orders arising out of the CZU August Lightning Fire are terminated.

That the Director of Emergency Services is directed to notify the Council when Order No. 2020-03 is so terminated.

***********************
PROCLAMATION OF EXISTENCE OF A LOCAL EMERGENCY BY THE DIRECTOR OF EMERGENCY SERVICES OF THE CITY OF WATSONVILLE, STATE OF CALIFORNIA BECAUSE OF CZU AUGUST LIGHTNING FIRE

WHEREAS, Ordinance No. 1395-19 (CM), effective November 21, 2019, codified as Chapter 2 of Title 4 of the Watsonville Municipal Code commencing with § 4-2.01, empowers the Director of Emergency Services to proclaim the existence or threatened existence of a local emergency when the City is affected or likely to be affected by a public calamity; and

WHEREAS, the wildfires known as the CZU August Lightning Complex Fires that began on August 15, 2020 have destroyed structures and threatened numerous residences and acres of valuable wildland and watershed resulting in evacuations and displacement of residents; road closures; areas of isolation; damage to property and utility systems; and damage to critical infrastructure and endangered species; and

WHEREAS, the wildfires are still burning out of control, with minimal containment reported as of this date; the wildfires have charred in excess of 11,000 acres in the Counties of Santa Cruz and San Mateo, damaged or destroyed multiple homes and structures, are threatening numerous residences and accessory buildings, and damaged power, phone and other critical infrastructure in the fire area; and there is an imminent threat to yet more properties at risk for additional damage and/or destruction; and,

WHEREAS, efforts to bring these wildfires under control, and to assist the affected population and restore the burned area and/or recover from the effects of the wildfire damage, involve assets from City of Watsonville government, as well as California State and federal fire and law enforcement assets, the American Red Cross and other volunteer organizations; and,

WHEREAS, the Director of Emergency Services has contacted each member of the City Council to inform them of the facts giving rise to the existence or threatened existence of local emergency, and received their advice and counsel; and

NOW, THEREFORE, IT IS HEREBY PROCLAIMED AND ORDERED by the Director of Emergency Services of the City of Watsonville that, effective immediately:

SECTION 1. The wildfires in North Santa Cruz County pose a threat to the safety of persons and their property, and that such conditions have existed since 08:00 am on August 16, 2020 and are projected to continue for, at a minimum, eleven (11) days from the date this Proclamation is executed.

SECTION 2. A local emergency, as defined in subdivision (c) of Government Section 8558 and Public Contract Code Section 1102, and subdivision (a) of § 4-2.02 of the Municipal Code now exists in North Santa Cruz County.

SECTION 3. The CZU August Lightning Fire has caused a flood of evacuees into the City of Watsonville, and
SECTION 4. During the existence of said local emergency the powers, functions, and duties of the City Manager, the Department of Parks and Recreation, Public Works, and the Watsonville Office of Emergency Services shall be those prescribed by State law and the ordinances, resolutions, and approved plans of the City Council in order to mitigate the effects of the local emergency.

SECTION 5. Pursuant to 4-2.04 Director or designee is hereby authorized to obtain vital supplies, equipment and such other things found lacking and needed for the protection of the life and property of the people, and bind the City for the fair value thereof, and if required immediately, to commandeere the same for public use.

SECTION 6. Pursuant to 4-2.04 Director or designee is authorized to require emergency services of any City officer or employee and, in the event of the proclamation of a state of emergency by the Governor in the region, to command the aid of as many citizens of this community as they think necessary in the execution of their duties; such persons shall be entitled to all privileges, benefits and immunities as are provided by State law.

SECTION 7. Matt Huffaker, or designee, is hereby designated as the authorized Agent for public and individual assistance of the City of Watsonville for the purpose of receipt, processing, and coordination of all inquiries and requirements necessary to obtain available state and federal assistance.

SECTION 8. Matt Huffaker, or designee, is hereby authorized to execute all of ordinary powers as a City officer, all of the special powers conferred upon them by this chapter or by resolution adopted pursuant thereto, all powers conferred upon them by any statute, agreement approved by the Council, or by any other lawful authority, and in conformity with Section 38791 of the California Government Code, to exercise complete authority over the City and to exercise all police power vested in the City by the Constitution, the City Charter, general laws and this Code.

SECTION 9. That said local emergency shall be deemed to continue to exist until it is terminated as proclaimed by the Council subject to confirmation by the Council at the earliest practicable time.

SECTION 10. The City Clerk shall certify the adoption of this Order and shall cause a certified Order to be filed in the Office of the City Clerk.

PASSED AND ADOPTED this 19 DAY OF AUGUST, 2020.

SUBJECT: Fiscal Year 2019-20 and 2020-21 Update
AGENDA ITEM: September 8, 2020

RECOMMENDATION:
That the City Council receive this financial update for Fiscal Years FY 2019-20 and FY 2020-21 and approve by resolution an appropriation of $951,479.16 into the risk management fund.

DISCUSSION:
As discussed during the budget process for Fiscal Year 2020-21, this fiscal year will be extremely fluid due to the current pandemic and recession. As the pandemic worsens and improves so does the economy. This report contains financial information through the end of July 31, 2020. As such it is a report on preliminary year end numbers for FY 2019-20 and updated projections for FY 2020-21. It is too early into FY 2020-21 to have definitive numbers for anything other than the first month of the fiscal year. However, as the budget was based on conservative projections as of the end of March, we now have at least one full quarter of recession / pandemic data on which to base some updated numbers.

We do want to make sure the Council and public are aware that this report is preliminary and contains only projections for both years. In Fiscal Year 2019-20, once all payments are made and revenues are booked, staff will go through the annual process of closing our books and auditing our funds, resulting in corrections and adjustments. In Fiscal Year 2020-21, the financial picture will continue to change based on progress made against the pandemic, the hopes of a vaccine, school and economic closures or openings, the ending of enhanced unemployment benefits, the possibility of further stimulus programs, and anything else this year can throw at us.

General Fund
As of today, the status of the General Fund is more optimistic than we had predicted in April and in the passage of the FY 2020-21 budget. We still anticipate seeing declines in revenue from FY 2018-19, which has become the “prior peak” for this recession.
However, those declines at this moment do not appear to be as stark as originally projected.

Revenues:

Property Tax – Property Tax revenues for FY 2019-20 are similar to what was anticipated at the mid-year. Impacts of the recession, if any, will lag based on the timing of property assessments and tax collections. FY 2020-21 payments, for example, will be made based on assessed property values as of January 2020, prior to the recession. In the budget, however, we did assume a 3% decline in this revenue based on anticipated lower turnover of properties and perhaps at lower values. Thus far, we have no indications that this is assumption is holding true. Current data suggests that sale values in Watsonville are steady, though volume has declined. Therefore, at this point, we anticipate property tax values will not see a decline and perhaps will see a small increase. It is possible that this revenue will be $500,000 to $750,000 better than budget. There continue to be risks and uncertainty in this area as stimulus funds have now ended and Watsonville continues to see high unemployment rates.

Sales Tax – Sales tax declined sharply in the final quarter of FY 2019-20, although less than was initially anticipated. Staff now projects total sales tax revenues of $10.3 million for FY 2019-20; representing a 5.8% drop from the prior year, but not the 10% drop that was originally anticipated. However, 4th quarter revenues were 16% lower than the 4th quarter in FY 2018-19. Staff had budgeted FY 2020-21 to be 25% lower than FY 2018-19. With this information, we are cautiously optimistic that revenues will exceed our initial projections. The budget assumed a sharp decline in the first quarter and then improvements in the economy settling into a 4th quarter that would be approximately 17% below prior years. Due to stimulus funding and the supplemental unemployment benefits over the last quarter, consumer spending remained at 94% of pre-pandemic spending levels during the last quarter. At the same time, large sectors of the economy reopened sooner than initially expected. As a result, it appears the sharp decline may not materialize, but the longer the pandemic lingers on, and as stated above, the recent end to unemployment benefits, it remains to be seen if these lower sales tax numbers will improve further or continue at these recessionary levels. This will have impacts for the future years, but means we could see FY 2020-21 better than budget by $900,000 to $1,500,000. This trend will also hold true for other sales tax related funds such as Measure Y, Library, Measure D, and to some extent Gas tax.

Utility User Tax - Utility User Tax represents about 10% of General Fund revenues. This tax stream tends to be more stable as it is a tax on telecommunication services, electricity, gas and water. We had assumed an 8% decrease in this revenue, modeled after the experience of the last recession, assuming households may try to conserve in these areas as household budgets decline. Thus far we see no evidence of that decline. Perhaps telecommunications services, for example, have become essential to families as they shelter in place or as children adapt to online learning. It is possible we will see this revenue be better than budget by $400,000 or $500,000.

Hotel Tax – Due to the timing of remittances of this tax, FY 2019-20 will end the year similar to projections. The budget assumes a 50% decline in this revenue. We are just
now receiving tax remittances from our hotels for the quarter ending in June and thus far they do reflect a near 50% decrease. It is possible that by next spring and summer travel will be less restricted and the 50% decrease will carry through the entire fiscal year. Staff also has reason to believe the new Hampton Inn being built off Highway 1 may open this fiscal year. Therefore, we may see increases in hotel tax of $100,000 to $300,000.

Community Development Department Revenues – The Community Development Department charges fees for many of its services including inspections, plan check, and permit issuance. Their volume fluctuates with the construction industry. After a devastating month in April when the department experienced a drop of 75%, the Department’s revenues seem to have stabilized at around 15% lower than average. The Department is anecdotally seeing homeowners taking advantage of time at home and low interest rates to make improvements to their homes. Therefore, we can expect this department’s charges to be better than budget by $275,000 to $450,000. Consequently, staff anticipates an increase in expenditures to keep up with the work volume.

Parks and Community Services Revenues – The Parks and Community Services Department is one of those hardest hit by the pandemic as many of the recreational programming and services they normally provide to the community are still restricted under the shelter in place and social distancing orders. The Department is still working to define itself and its activities under the current restrictions. They were able to provide summer camp to essential workers and are now offering, with the help of the County, day long distance learning support and activities for children of essential workers. However, with no major changes to their ability to provide services, it is too early to make any updated assumptions on their revenues.

Police – A major known revenue impact to the Police Department is the Pajaro Valley Unified School District’s (PVUSD) cancelation of the contract to provide security services at the high schools in Watsonville. This decision will result in a decrease of $238,000 in the Police Department budget, which the Department plans to offset with not backfilling some anticipated staff departures. Overall, due to the Department’s success in securing grants and reimbursements to support their activities, we anticipate that the elimination of the school resource officer program may be more than offset by better than budgeted revenues in other areas.

CARES Act and FEMA Support – In early July staff confirmed that the City will be receiving $636,063 in direct Coronavirus Aid, Relief, and Economic Security Act (CARES) funding passed through from the State. CARES funding has strict spending requirements and expenditures must be completed by December 30, 2020, despite the League of California Cities’ advocacy efforts to allow for more flexibility and expanded allowable uses of the funds. Qualifying expenses, while more expensive than FEMA, are still highly restricted and regulated by Federal purchasing policies. As a result, we are choosing to report expenses in the least cumbersome and restrictive category, namely Public safety. This will allow us the simplest method of reporting and in practice will free up General Fund money that can in turn be reinvested to meet Council priorities and community needs. An example includes the proposed $100,000 allocation to fund an emergency rental assistance program, coming before the Council for consideration at tonight’s meeting.
Staff will also be submitting claims to FEMA for both Coronavirus and CZU Lightning fire expenses. For both incidents, FEMA will only reimburse up to 75% of eligible costs. For the coronavirus response, FEMA eligibility is very limited and primarily will cover costs to run our City’s Emergency Operations Center (EOC) and the costs to provide personal protective equipment (PPE) for our employees and perhaps range from $50,000 to $100,000. It is too early to estimate eligibility and reimbursement for costs from the Lightning fire.

Overall, we anticipate General Fund revenues to end Fiscal Year 2019-20 about $1.6 million above budget and therefore $1.3 million better than was anticipated in April. With those assumptions rolling forward into FY 2020-21 the City could see potential for revenues to be better than budgeted. However, there is still significant uncertainty ahead that could negatively impact current projections. FY 2020-21 will still be the worst year since 2017. It is still extremely early to feel any sense of confidence in the FY 2020-21 projections as we have seen this year change almost daily, with significant uncertainty ahead. It remains to be seen how our residents and consumers will react to the discontinuation of enhanced unemployment benefits, continued business closures, high employment rates, and the closure of schools.

### Expenditures:

Overall, General Fund expenditures for Fiscal Year 2019-20 are very similar to what was projected although with some shift from normal department operations to Covid-19 related expenses, as explained in more detail below. In FY 2020-21, with only one full month of expenditures booked and analyzed, it is difficult to make any projections with certainty but there are some emerging areas of concern that may need to be addressed in future updates.
COVID -19 - Beginning in March with the onset of reaction to the pandemic we quickly began freezing hiring and certain activities previously open to the public were halted. This resulted, in general, in more department savings than was projected in April. However, all of those FY 2019-20 department savings got absorbed by reactions to the pandemic. The General Fund spent approximately $1 million in FY 2019-20. Some of this went to paying people to stay home, during the first initial weeks before protocols were in place to safely bring employees back or allow them to telecommute. Some was spent on Federally mandated extensions of sick leave and FMLA to individuals who needed to self-quarantine or needed more flexible schedules to care for loved ones who were sick or minors no longer in school or day care. A little more than half was spent on direct response staff costs and purchases.

In FY 2020-21 we continue to have staff costs and purchases related to pandemic response, though it has slowed down. Thus far we have spent a little over $100,000. We may need to appropriate money towards this effort. As explained above, last year we were able to absorb the costs within existing appropriations, this year, with deep expenditure reductions across all departments that will be difficult.

Council will also be requested through a separate council action to appropriate $100,000 towards a rental assistance program. As discussed above, funding for this has been made available due to acceptance of CARES act money.

Fire Overtime – The Fire Department is struggling to keep overtime under control. This is due to a number of factors, not least of which is strike team response to fires in the surrounding areas. Watsonville has had teams out on response nearly continuously since the beginning of the fiscal year. The Department also has had some recent unexpected departures, and due to timing of academies are not expected to be replaced until March of 2021. The Department is currently $120,000 over their salary budget but expect $148,000 of that to be reimbursed. We will be closely monitoring the Fire department’s expenditures and reimbursements in the coming months and likely requesting appropriation of those.

Community Development Department – As discussed above, the Community Development Department is service and fee driven. After a rapid decline in April, they have seen demand for their services increasing to near normal levels. Their budget was reduced by approximately $500,000. In order for them to keep up with demand and respond to customers they will likely need increases in their budget on pace with expected revenue increases.

Salaries and Benefits – Salaries and benefits make up 80% of General Fund costs. Within this broad category there are few items worthy of discussion.

We are currently out of contract with two of our bargaining units, Operating Engineers Local No 3 (OE3), and Police Mid-management. Both contracts ended on June 30 and the City requested to delay negotiations until we had a better handle on the financial picture. Negotiations will need to begin soon. Furthermore, the City’s contract with Service Employees International Union Local 521 (SEIU) will expire on December 30, 2020.
Watsonville for the 3rd year in a row has received better than expected health rate increases. Beginning in January of 2021 the City’s health rates will increase by 1%, lower than the 5% we had anticipated.

CalPERS closed their fiscal year with preliminary returns of 4.6%. While this is lower than their assumed rate of 7% and will eventually lead to increased UAL payments, it is much better than the 0% they had at the end of March. This will not impact our rates until Fiscal Year 2022-23. All told, known areas where we are feeling expenditure pressures will likely need to increase budgets in the future totaling approximately $500,000 to $1,500,000.

The Utility Enterprise funds of Water, Sewer, and Solid Waste have seen relatively normal revenues considering the circumstances. The utilities have stopped shutting off services due to non-payment of utility bills and have thus far waived late fees. For the first time in July, they did see a decline in revenues. Furthermore, about 5% of customers are behind on paying their bills, this is compared to 3% during normal times and is valued
at about $500,000. The difference now is that a small group of customers are falling further and further behind, with about 80 customers reaching a deficit of over $1,000. Staff is working with the Community Foundation to secure a funding source to help our customers in need. Due to Proposition 218, the City cannot use utility revenues to fund this kind of assistance; it must come from another source. In addition, staff will begin sending late notices the first week of September to all customers that are behind and following up with phone calls to work with customers to develop flexible payment plans. Staff will be sensitive to the very difficult situation we are in, and at the same time, encourage people to pay what they can.

The utilities also have delayed adoption of a new rate package. The last rate increase for all three utilities went into effect July 1, 2019. They had been working on a rate increase proposal but delayed that for one year. The result of a delayed increase is estimated at $1.9 million for the first year, an effect that will be compounded in future years. The utilities will have to revise their capital spending, look for low-cost debt alternatives to cash funding, and maintain strict operating budgets in order to maintain the fiscal health of these funds.

The Airport Fund did a fantastic job of controlling costs and obtaining reimbursements during FY 2019-20 and is on track to end the year with $500,000 in reserve compared to near $0 the prior year. They have put together a conservative budget for FY 2020-21 and depending on how their revenues perform early in the fiscal year they may request operational adjustments during the year.

Revenues from sales are the primary revenue source for the Library, Gas Tax, Measure D, SB1, and Measure G (Y) funds. Therefore, as discussed above, each of these funds are projected to end FY 2019-20 better than previously projected and are likely to have better revenues in Fiscal Year 2020-21 than budgeted. All of these funds had been budgeted to dip significantly into their reserves in order to fund their operating expenses. The additional revenues anticipated will mean these funds will likely not have to dip so far into their reserves. We do not anticipate mid-year adjustments in these funds, but this will perhaps shape future expenditure plans.

The Cannabis fund’s revenues in FY 2019-20 fell slightly short of April’s projections but ahead of budget. This may be due to the reliance of this industry to pay in cash and the closure of our public windows since March. We are currently conducting a thorough financial audit of all our existing permittees and are likely to bring changes to the cannabis tax ordinance to the Council shortly. With these two changes we anticipate meeting our budgeted target of $550,000 in revenues in Fiscal Year 2020-21.

The Risk Management Fund is an internal service fund of the City in which all funds and departments contribute to the City’s workers compensation and general liability reserves. The City also participates in a joint powers authority known as Public Agency Risk Sharing Authority of California (PARSAC) to help manage our risks. After the City pays $150,000 for its Self-Insured Retention (SIR), workers compensation claims above this $150,000 are paid by PARSAC and in larger cases, the Local Agency Workers Compensation Excess JPA (LAWCX). In an attempt to settle a ten-year-old claim that the City has already paid its full $150,000 SIR, the parties have agreed to a settlement of $951,479.16.
While the City will be fully reimbursed within several weeks by PARSAC, the City must make the initial payment. To manage this large payment the Council is requested to approve a resolution appropriating $951,479.16 to the Risk Management Fund 0780-293-7304 along with matching revenue. This transaction will be cost neutral for the City.

**Next Steps**

Another update will be due to Council at your December 8th meeting. At that time, we will provide another update with more complete quarter one data and near final FY 2019-20 numbers. At that time, we will likely put forward a package of appropriations for known FEMA and mutual aid reimbursements and perhaps others addressing the expenditure pressures described above. On Feb. 23, 2021 we will bring an update with second quarter numbers. The February report will also include an update to the 5-year plan focusing on the next two fiscal years. This will be the official “kick-off” to the Fiscal Years 2021-22 and FY 2022-23 budget process.

**STRATEGIC PLAN:**
The report above meets strategic plan goal number 2 by keep the Council and the public informed as to the status of the City’s finances during the midst of this recession and pandemic.

**FINANCIAL IMPACT:**
Cost neutral appropriation of $951,479.16 to the risk management fund 0780-293-7304 along with a matching revenue.

**ALTERNATIVES:**
Council may choose to not accept the report before them.

RESOLUTION NO.__________ (CM)

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WATSONVILLE AMENDING THE 2020-2021 BUDGET TO AUTHORIZE $951,479.16 BUDGET APPROPRIATION TO THE RISK MANAGEMENT FUND

Amends Resolution No. 113-20 (CM)

WHEREAS, on June 23, 2020, the City Council adopted Resolution No. 113-20 (CM) adopting the Final Budget for the City of Watsonville for fiscal year 2020-2021; and

WHEREAS, the Risk Management Fund is an internal service fund of the City in which all funds and departments contribute to the City’s workers compensation and general liability reserve; and

WHEREAS, the City also participates in a joint powers authority known as Public Agency Risk Sharing Authority of California (PARSAC) to help manage our risks; and

WHEREAS, a budget appropriation of $951,479.16 is needed to settle a ten-year old claim in the same amount; and

WHEREAS, while the City will be fully reimbursed by PARSAC, the City must make the initial payment.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WATSONVILLE, CALIFORNIA, AS FOLLOWS:

That the budget appropriation of $951,479.16 for fiscal year 2020-2021 to the Risk Management Fund [0293] is hereby authorized.

Budget Update

CINDY CZERWIN
ADMINISTRATIVE SERVICES DIRECTOR
SEPTEMBER 8, 2020
Reminders of Where we Were

- Budget was presented to Council on May 30 and adopted by Council on June 23.
- It was primarily based on data from the quarter ending March 30. Limited data from April and May was available.
- We assumed a $6.5 million deficit and 18% decline in revenues.
- To balance the budget we made $4.3 million in reductions and used $2.2 million in emergency reserves.
Where we are now

- We have revenue data through quarter ending June 30, 2020 and the end of July
- Distance Learning through at least December
- Experienced a ‘surge’ in COVID-19 and are now in “Red Tier” of the governor’s reopening plan
- Enhanced unemployment benefits ended July 31st
- Possible vaccine near the end of the calendar year
- Unemployment at 12.4% as of July
- This presentation contains preliminary Year End FY 2020 numbers and projects those out to FY 2021
Revenues – Property Tax

- Property Tax has a 1 year delay in its reflection of the economy.
- FY 2019-20 is ending as projected.
- Budget assumed a 3% reduction based on prior recession
- Thus far, this recession is not having a significant impact on the housing market
- Jan 2021 assessment rolls will close to determine FY 2021-22 tax base
Revenues – Sales Tax

- Ending FY 2019-20 with a 5.8% decline from prior year, better than the 10% forecasted
- The quarter April thru June was 16% below the prior year
- FY 2020-21 budget predicted a 25% decline, now believe that is a worst case scenario
- These projections will roll through other sales tax related funds
- County pool trends
Revenues - Sales Tax

Sales Tax by Major Industry Group

- State & County Pools
  Count: 138
- Autos And Transportation
  Count: 52
- Building And Construction
  Count: 583
- General Consumer Goods
  Count: 180
- Restaurants And Hotels
  Count: 180
- Business And Industry
  Count: 370
- Food And Drugs
  Count: 83
- Fuel And Service Stations
  Count: 24
Budget assumed an 8% decline which thus far has not materialized

Perhaps telecommunications etc have become “essential” to staying and schooling at home

Do not expect much increase as utilities providers including our own are not increasing rates
Revenues – Hotel Tax

- Hotel Tax remittances are 1 quarter delayed
- FY 2019-20 totals ended with remittances through March 30
- We are just now receiving payments from quarter ending June, they are 50% below normal
- Budget assumed a 50% reduction in this tax
Revenues – CARES and FEMA

- The State allocated a portion of it’s Federal Cares money to localities
- Watsonville will receive $636,063
- This is an allocation, NOT a reimbursement
- We must submit reports justifying the allocation with strict qualifying expenditures & deadlines
- FEMA is reimbursement, but 75% of very limited expenses. We will be submitting claims for COVID19 and Fires. Expect perhaps $50-$100,000
Revenues – Other

- CDD has seen increased activity after a 75% drop in April. Now about 15% lower than average
- Police, PVUSD canceled their contract for security services $238,000
- Fire will receive reimbursement for mutual aid strike teams
- Cannabis revenues stable, with room for growth over FY2020-21
Revenues - Overall

- All had been budgeted to draw down very heavily on their fund balance
- Additional revenues will help these funds use less of their balance
Other Funds – Risk Management

- City participates in a joint powers authority known as Public Agency Risk Sharing Authority of California (PARSAC)
- After the city pays for its self-insured Retention, workers compensation claims above $150,000 are covered
- In an attempt to settle a 10 year claim, the City is entering into a settlement of $951,479.
- We will need to make this payment but will be reimbursed by PARSAC, however we need the appropriation authority and are asking for a resolution.
Next Steps

- Dec. 8\textsuperscript{th} – Update with Quarter 1 data, likely will include an appropriations package
  1. Replenish Emergency Reserve
  2. Restore Employee Compensation
  3. Reinvest in programs and services

- Feb. 23 – Mid year report and final CAFR
  - Update to 5 year plan, officially kicking off budget season

- Next budget cycle is the two year budget. We will need to balance FY 2021-22 and FY 2022-23

SUBJECT: Resolution approving the Emergency Rental Assistance Program and appropriation of $100,000 from the General Fund to implement the Emergency Rental Assistance Program

AGENDA ITEM: September 8, 2020 City Council

RECOMMENDATION
It is recommended that the Council adopt a Resolution approving the Emergency Rental Assistance Program (ERAP) based on standards (a) through (e) below to assist eligible Watsonville residential tenants affected by COVID-19; appropriate $100,000 from the General Fund for the ERAP; and authorize the City Manager and/or his designee to make non-substantive changes to the ERAP as may become necessary for clarification and/or compliance requirements.

DISCUSSION
Background: On April 28, 2020, the Council amended its Community Development Block Grant (CDBG) Consolidated Plan to allow disbursement of additional funds to address the COVID-19 Pandemic. The Council authorized $100,000 for the Community Action Board to provide qualifying Watsonville residents with emergency housing assistance. This funding supported rent payments/subsidies averaging $1,288 per household for 66 families.

Proposal: In order to continue to provide emergency rental assistance to Watsonville tenants, staff is recommending that the Council appropriate $100,000 from the General Fund to support those City residents that are seeking eviction protections and that have been affected by the Covid-19 Pandemic. Given the magnitude of the Pandemic and its effects on our residents, potentially alternative funding sources for the ERAP will continually be sought and future allocations may occur through the budget process.

Staff will model the ERAP on the original CDBG-CV funded emergency housing program recently completed in collaboration with the Community Action Board. Funding will be
given to Watsonville residents who are unable to pay their rent in full because of one or more of the following:

(a) Tenant was sick with COVID-19 or caring for a household or family member who is sick with COVID-19;
(b) Tenant experienced a lay-off, loss of hours, or other income reduction resulting from COVID-19 or the state of emergency;
(c) Tenant’s compliance with a recommendation from a government agency to stay home, self-quarantine, or avoid congregating with others during the state of emergency; or
(d) Tenant’s need to miss work to care for a home-bound school-age child.
(e) Tenant’s need to miss work to care for a family member that is deemed high risk of severe illness from COVID-19.

STRATEGIC PLAN
The proposed resolution supports Goal 1 (Housing) of the Strategic plan by preserving existing affordable housing for Watsonville residents.

FINANCIAL IMPACT
The recommended action will impact the General Fund in the amount of $100,000 in direct payments on behalf of eligible residential tenants affected by COVID-19. It will be appropriated into Community Development Department account 0150-315-7367-XXXXX. Administrative costs for the implementation of the ERAP is part of the City’s budgeted work program using existing staff resources.

ALTERNATIVES
City Council could choose to modify the amount to be allocated for the ERAP, or the Council may choose not to approve the implementation of the ERAP at this time.

None.

RESOLUTION NO.__________ (CM)

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WATSONVILLE APPROVING THE EMERGENCY RENTAL ASSISTANCE PROGRAM (ERAP) GUIDELINES TO ASSIST ELIGIBLE RESIDENTIAL TENANTS LIVING WITHIN THE CITY OF WATSONVILLE WHO HAVE BEEN AFFECTED BY COVID-19; AUTHORIZING THE CITY MANAGER AND/OR HIS DESIGNEE TO MAKE NON-SUBSTANTIVE CHANGES TO THE ERAP AS MAY BE NECESSARY FOR CLARIFICATION AND/OR COMPLIANCE REQUIREMENTS; AND APPROPRIATING $100,000 FROM THE GENERAL FUND FOR THE PROGRAM

WHEREAS, on April 28, 2020, the Council adopted Resolution No. 57-20 (CM) approving an amendment to the Community Development Block Grant (CDBG) Consolidated Plan to allow disbursement of additional funds to address the COVID-19 Pandemic; and

WHEREAS, the Council authorized $100,000 to be provided to Community Action Board (CAB) to provide qualifying Watsonville residents with emergency housing assistance; and

WHEREAS, on August 28, 2020, the Council by motion, directed staff to develop an Emergency Rental Assistance Program to assist tenants affected by COVID-19; and

WHEREAS, in order to continue to provide emergency rental assistance to Watsonville residents, staff is recommending that Council allocate $100,000 from the General Fund to support those tenants that are seeking eviction protections and that have been affected by the COVID-19 pandemic.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WATSONVILLE, CALIFORNIA, AS FOLLOWS:

1. That the Emergency Rental Assistance Program Guidelines to assist eligible residential tenants living within the City of Watsonville who have been affected
by COVID-19, attached hereto and incorporated herein as Exhibit "A," are hereby approved.

2. That the City Manager and/or his designee are hereby authorized to make non-substantive changes to the Emergency Rental Assistance Program as may become necessary for clarification and/or compliance requirements.

3. That the budget appropriation of $100,000 to the General Fund [0150] for the Emergency Rental Assistance Program is hereby authorized.

**************************************************
Emergency Rental Assistance Program Guidelines

The City of Watsonville administers the Emergency Rental Assistance Program (ERAP). This program is designed to assist Watsonville low and moderate income renters affected by the COVID-19 economic crisis with a grant of up to $1,500.

Grant funds may be used to assist with payment of rent, incurred after March 15, 2020. The emergency housing assistance will be paid directly to the landlord on behalf of the individual or family.

Eligibility:

1. Low or moderate income resident of Watsonville.
2. Rental housing unit must be located within the Watsonville city limits.
3. Experience a loss or reduction of income due to covid-19.

Priority will be given to tenants who are unable to pay their rent in full because of one or more of the following:

(a) Tenant was sick with COVID-19 or caring for a household or family member who is sick with COVID-19;
(b) Tenant experienced a lay-off, loss of hours, or other income reduction resulting from COVID-19 or the state of emergency;
(c) Tenant’s compliance with a recommendation from a government agency to stay home, self-quarantine, or avoid congregating with others during the state of emergency; or
(d) Tenant’s need to miss work to care for a home-bound school-age child.
(e) Tenant’s need to miss work to care for a family member that is deemed high risk of severe illness from COVID-19.

Application:

Applications will be processed in the order they are received, and funded on a first come, first served basis, until funds are expended.

Documentation necessary with application:

- Documentation that you have experienced loss or reduction of income (recent/past pay stubs, unemployment filing, letter from employer, etc.)
- Copies of utility bills and or proof of residence (gas, water, electricity, cell phone bills, bank statements, etc.)
- Copies of your current lease or rental agreement.
- Copy of applicant’s driver license or California ID
- Additional demographic data may be required for successful applicants

Exhibit "A"
First of all, thanks goes out to everyone involved, for all the hours and hard work in dealing with such a controversial subject. I believe that, if there is money in the general fund to use, this program will help with those tenants in need; and, those landlords out there not getting any rent from their tenant(s) due to COVID-19.

Second of all, there are State, Federal and CDC orders that I recommend be included in the guidelines (see attached sample notice, declaration form and AB-3088 information.) If the City creates a notice and declaration form that mirrors the prevailing law, this will not only give the tenant a clear picture of what they are claiming, but will inform them that if they are false in their declaration, there are ramifications. Using a form, such as attached, will "weed out" any tenants trying to take advantage of this global crisis to just not pay rent.

Third of all, what is being done with the tenants, affected by COVID-19, who have not paid their utilities? If these tenants move out, with a back utility balance owing, the owner of their rental unit will have to carry the burden of the back utilities before they can rent their property out again; as the City of Watsonville does not allow a utilities to be turned on if there is a balance, without the landlord paying the back balance, therefore, a unit can NOT be re-rented. Is there something being worked out to protect those landlords of tenants who fail to pay and walk away from their obligation? I understand some tenants are reaching the $1,000 mark in their back utilities already.

Since this program is within the City limits, the city will know if an applicant owes back utilities or not.

Could there be an exception to those landlords, with COVID-19 affected tenants that owe back utilities, that they will NOT be held accountable for the back utility balance of that tenant?

- If the tenant has shown proof according to the ERAP Guidelines that they have been financially burdened by COVID-19
- Whether or not they get the tenant gets the funding, (in case the money runs out.)
• If the tenant(s) meet the guidelines, then the landlord will NOT be responsible to pay the back balance in order to have their new tenant get utilities for that rental unit.

I leave it up to staff to find the wording that fits, but I would like to make that friendly suggestion.

Thank you for your time and consideration of my friendly amendment to your guidelines.

[FORM] DECLARATION UNDER PENALTY OF PERJURY FOR
THE CENTERS FOR DISEASE CONTROL AND PREVENTION’S TEMPORARY
HALT IN EVICTIONS TO PREVENT FURTHER SPREAD OF COVID-19

This declaration is for tenants, lessees, or residents of residential properties who are covered by the CDC’s order temporarily halting residential evictions (not including foreclosures on home mortgages) to prevent the further spread of COVID-19. Under the CDC’s order you must provide a copy of this declaration to your landlord, owner of the residential property where you live, or other person who has a right to have you evicted or removed from where you live. Each adult listed on the lease, rental agreement, or housing contract should complete this declaration. Unless the CDC order is extended, changed, or ended, the order prevents you from being evicted or removed from where you are living through December 31, 2020. You are still required to pay rent and follow all the other terms of your lease and rules of the place where you live. You may also still be evicted for reasons other than not paying rent or making a housing payment. This declaration is sworn testimony, meaning that you can be prosecuted, go to jail, or pay a fine if you lie, mislead, or omit important information.

I certify under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the foregoing are true and correct:

- I have used best efforts to obtain all available government assistance for rent or housing;¹

- I either expect to earn no more than $99,000 in annual income for Calendar Year 2020 (or no more than $198,000 if filing a joint tax return), was not required to report any income in 2019 to the U.S. Internal Revenue Service, or received an Economic Impact Payment (stimulus check) pursuant to Section 2201 of the CARES Act;

- I am unable to pay my full rent or make a full housing payment due to substantial loss of household income, loss of compensable hours of work or wages, lay-offs, or extraordinary² out-of-pocket medical expenses;

- I am using best efforts to make timely partial payments that are as close to the full payment as the individual’s circumstances may permit, taking into account other nondiscretionary expenses;

---

¹ “Available government assistance” means any governmental rental or housing payment benefits available to the individual or any household member.

² An “extraordinary” medical expense is any unreimbursed medical expense likely to exceed 7.5% of one’s adjusted gross income for the year.

• If evicted I would likely become homeless, need to move into a homeless shelter, or need to move into a new residence shared by other people who live in close quarters because I have no other available housing options.³

• I understand that I must still pay rent or make a housing payment, and comply with other obligations that I may have under my tenancy, lease agreement, or similar contract. I further understand that fees, penalties, or interest for not paying rent or making a housing payment on time as required by my tenancy, lease agreement, or similar contract may still be charged or collected.

• I further understand that at the end of this temporary halt on evictions on December 31, 2020, my housing provider may require payment in full for all payments not made prior to and during the temporary halt and failure to pay may make me subject to eviction pursuant to state and local laws.

I understand that any false or misleading statements or omissions may result in criminal and civil actions for fines, penalties, damages, or imprisonment.

Kudos to Kathy Oliver and thank those of you who worked so hard in putting this together in a format that is useful. The Declaration that is now available needs to be utilized for all tenants, for their protection, as well as the entire community.

As a person who lives in Watsonville, would it be possible to get verifiable numbers of those who are not paying, partially paying, or fully paying rent due to Covid-19 reasons? Having REAL information provides a more accurate picture of where things are. At the moment, we are guessing, and it would be prudent to be prepared before we start making promises. We need real data, and not just for Watsonville, but wherever this is happening.

Again, thank you!

City of Watsonville
Emergency Rental Assistance Program

Carlos Landaverry, Housing Manager
Community Development Department
August 25, 2020

City Council approved a temporary eviction moratorium and directed staff to develop an in-house emergency rental assistance program.
Purpose

Emergency Rental Assistance Program: To assist low to moderate income renters affected by the COVID-19 economic crisis.
Model

- Emergency Housing Assistance Program
  Implemented in collaboration with CAB
  - 66 families assisted
  - Funds exhausted in July
In-House Program

- Administered by CDD - Housing Division

Implemented in collaboration with:

* Parks and Community Services Department
* Finance Department
Eligibility Requirements

• Low or moderate income resident of Watsonville
• Rental unit must be located within the Watsonville city limits
• Experience a loss or reduction of income due to covid-19
• Have past due rent with no alternate means to pay
Priority

(a) Tenants sick with COVID-19 or caring for a family member who is sick with COVID-19;
(b) Tenants experienced a lay-off, loss of hours, or other income reduction resulting from COVID-19 or the state of emergency;
(c) Tenant’s compliance with a recommendation from a government agency to stay home, self-quarantine, or avoid congregating with others during the state of emergency; or
(d) Tenant’s need to miss work to care for a home-bound school-age child;
(e) Tenant’s need to miss work to care for a family member that is deemed high risk of severe illness from COVID-19.
Application Process

- Processed in the order they are received
- Funded on a first come, first served basis
- Until funds are expended
Documentation

- Proof of loss or reduction of income
- Proof of residence
- Lease or Rental Agreement
- Driver License or CA ID
- Additional demographic data
Recommendation

It is recommended that City Council adopt a Resolution:

- Approving the Emergency Rental Assistance Program;
- Allocate $100,000 from the General Fund for the ERAP;
- Authorize the City Manager to make non-substantive changes to the ERAP as may become necessary for clarification and/or compliance requirements.
