Mobile Dynamometer Pull Intention

By checking this box I intend to purchase at least one ticket for an opportunity to have my “Wheels@Watsonville” registered vehicle tested on a Mobile Dynamometer. I realize the Dyno Pull is first come first served and I am not guaranteed an opportunity to conduct a Dyno Pull. **Watsonville Municipal Airport reserves the right to suspend Dyno pulls at discretion of management.** I realize I must sign a Liability Waiver prior to purchasing a ticket for the Dynamometer testing.
