A Council Member from the respective Council District that is next in line to become Mayor reserves the right to delay becoming Mayor until the next appointment process by alternating with the next in line Mayor Pro Tempore, so that the next in line Mayor becomes Mayor Pro Tempore and the next in line Mayor Pro Tempore becomes Mayor with the positions being alternated at the next appointment process.

A Council Member from the respective Council District that is next in line to become Mayor or Mayor Pro Tempore reserves the right to refuse to take the position.

In the case of a Council Member who refuses to become Mayor, the Council Member next in line to become Mayor Pro Tempore shall be appointed as Mayor. He may also, on his own account, inform the community on any matters of policy or program which he believes the welfare of the community makes necessary. The Mayor shall exercise such other powers and perform such other duties as may be prescribed by the Council, not inconsistent with this Charter.

Nothing in this Section shall be construed in any way as an infringement or limitation on the powers and duties of the City Manager as chief administrative officer and head of the administrative branch of the City government as prescribed in other sections of this Charter. The Mayor shall possess only such authority over the City Manager and the administrative branch as he possesses as one member of the Council.

SECTION 502. SALARY.

The Mayor shall receive as compensation for his services as such the sum of One Hundred and no/100th (\$100.00) Dollars per month which shall be in addition to his remuneration as a member of the Council.

The provisions of Section 1770 of the Government Code of the State of California as they now exist or may hereafter be amended shall govern the events which shall cause the existence of a vacancy.

If a vacancy occurs in the office of Mayor Pro Tempore, the Council shall forthwith appoint by resolution a Council Member to fill such vacancy who shall serve for the unexpired term. Such appointment shall be made from the next sequentially numbered Council District that is in line to become Mayor Pro Tempore as defined in Section 500.

In either case of a vacancy occurring in the office of Mayor or Mayor Pro Tempore, the Council Member that fills the vacant position maintains the right to serve a full term as Mayor or Mayor Pro Tempore, if that same Council Member is in line to serve either of said positions when the regular annual appointment process date occurs as established in Section 500. [*§ 504 Amended by voter petition initiative on 6/3/14. Measure I*]

Unless and until agreement is reached through negotiations between the City and the recognized employee organization for the fire department or a determination is made through the arbitration procedure hereinafter provided no existing benefit or condition of employment for the members of the fire department bargaining unit shall be eliminated or changed, except as to individual employee discipline.

All disputes or controversies pertaining to wages, hours, or terms and conditions of employment, which remain unresolved after good faith negotiations between the City and the fire department employee organization shall be submitted to a three-member Board of Arbitrators upon the declaration of an impasse by the City or by the recognized employee organization involved in the dispute.

Representatives designated by the City and representatives of the recognized employee organization involved in the dispute, controversy or grievance, shall each select one arbitrator to the Board of Arbitrators within three (3) days after either party has notified the other, in writing, that it desires to proceed to arbitration. The third member of the Arbitration Board shall be selected by agreement between the two arbitrators selected by the City and the employee organization, and shall serve as the neutral arbitrator and Chairman of the Board. In the event that the arbitrators selected by the City and the employee organization cannot agree upon the selection of the third arbitrator within ten (10) days from the date that either party has notified the other that it has declared an impasse, then either party may request the State of California Conciliation Service to provide a list of seven (7) persons who are qualified and experienced as labor arbitrators. If the arbitrators selected by the City and the employee organization cannot agree within three (3) days after receipt of such list on one (1) of seven (7) to act as the third arbitrator, they shall alternatively strike names from the list of nominees until only one name remains and that person shall then become the third arbitrator and chairman of the Arbitration Board.

Any arbitration convened pursuant to this section shall be conducted in conformance with, subject, and governed by Title 9 of Part 3 of the California Code of Civil Procedure.

At the conclusion of the arbitration hearings, the Arbitration Board shall direct each of the parties to submit, within such time limit as the Board may establish, a last offer of settlement on each of the issues in dispute. The Arbitration Board shall decide each issue by majority vote by selecting whichever last offer of settlement on that issue it finds most nearly conforms with those factors traditionally taken into consideration in the determination of wages, hours, and other terms and conditions of public and private employment, including, but not limited to, changes in the average consumer price index for goods and services, the wages, hours, and other terms and conditions of

employment of other employees performing similar services, and the financial condition of the City and its ability to meet the cost of the award.

After reaching a decision, the Arbitration Board shall mail or otherwise deliver a true copy of its decision to the parties. The decision of the Arbitration Board shall not be publicly disclosed and shall not be binding until ten (10) days after it is delivered to the parties. During that ten-day period the parties may meet privately, attempt to resolve their differences, and by mutual agreement amend or modify any of the decisions of the Arbitration Board. At the conclusion of the ten-day period, which may be extended by mutual agreement between the parties, the decision of the Arbitration Board together with any amendments or modifications agreed to by the parties shall be publicly disclosed and shall be binding upon the parties. The City and the recognized employee organization shall take whatever action is necessary to carry out and effectuate the award.

The expenses of any arbitration convened pursuant to this section, including the fee for the services of the Chairman of the Arbitration Board, shall be borne equally by the parties. All other expenses which the parties may incur individually are to be borne by the party incurring such expense.

ARTICLE XI. FISCAL ADMINISTRATION

SECTION 1101. FISCAL YEAR.

Unless otherwise provided by ordinance, the fiscal year of the City shall begin on the first day of July of each year and end on the thirtieth day of June of the following year.

SECTION 1102. TAX SYSTEM.

The Council shall provide a system for the assessment, levy and collection of city taxes upon property. The Council may by ordinance adopt at any time any provision made by the general laws of the State of California for the assessment, levy and collection, or either, of the City taxes by and through the officers of the County, or other public agency.

SECTION 1103. BUDGET: PREPARATION AND SUBMISSION.

At least thirty (30) days prior to the beginning of each fiscal year, the City Manager shall submit to the Council a proposed budget for the ensuing fiscal year. The budget shall provide a complete financial plan for the budget year. It shall include the following:

- (a) An itemized statement of estimated income and revenues from all sources for the year which the budget is to cover;
- (b) An itemized statement of the proposed expenditures recommended by the City Manager for each office, department, or agency for the year which the budget is to cover;
- (c) The probable amount required to be levied and raised by property taxation; and

- (d) Such other information as the City Manager may deem essential, or as the Council may require.

SECTION 1104. BUDGET: PUBLIC HEARING.

Upon receipt of the proposed budget from the City Manager, the Council shall proceed to consider the proposed budget and may increase, decrease or omit any item or insert new items therein. Before adopting the budget, the Council shall fix the time and place for holding a public hearing on the proposed budget and shall cause a notice thereof to be published not less than ten (10) days prior to said hearing by at least one (1) insertion in the official newspaper of the City. Copies of the proposed budget shall be available for inspection by the public in the office of the City Clerk at least ten (10) days prior to said hearing. At the time and place so advertised, or at any time and place to which such public hearing shall from time to time be adjourned, the Council shall hold a public hearing on the proposed budget at which interested persons desiring to be heard shall be given such opportunity.

SECTION 1105. BUDGET: FURTHER CONSIDERATION AND ADOPTION.

After the conclusion of the public hearing, the Council shall further consider the proposed budget and make any revisions thereto that it may deem advisable; provided, however, that if it shall increase the total proposed expenditures, the Council shall also increase the total anticipated revenues, but not beyond the reasonably anticipated revenues, so that the same, together with reasonable expected surpluses will at least equal such total expenditures. Thereafter, but prior to the beginning of the ensuing fiscal year, the Council shall adopt the budget with revisions, if any. Upon final adoption, the budget shall be in effect for the ensuing fiscal year. A copy of the adopted budget, certified to by the City Clerk, shall be placed on file in the office of the City Clerk where it shall be available for public inspection. The budget so certified shall be reproduced and copies made available for use of all officers, offices, departments and other agencies of the City and for use by civic organizations.

SECTION 1106. TAX LEVY.

The Council shall determine the amount of money required to be raised by ad valorem municipal property taxation and shall fix the ad valorem municipal tax rate on or before August 31 of each year and certify the same to the County authorities if the County system of ad valorem assessment and tax collection is used by the City.

SECTION 1107. BUDGET. APPROPRIATIONS.

From the effective date of the budget, the several amounts stated therein as proposed expenditures shall be and become appropriated to the several offices, agencies and departments for the respective objects and purposes therein specified. All appropriations shall lapse at the end of the fiscal year to the extent that they shall not have been expended or lawfully encumbered, except as otherwise provided by this Charter.

At any meeting after the adoption of the budget the Council may amend or supplement the budget so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available revenue not appropriated in the budget.

No officer, department or agency of the City shall, during any fiscal year, expend or incur any obligation to expend money for any purposes not authorized by or in excess of the amounts appropriated by any budget, as amended, for a given classification or expenditure.

SECTION 1108. BUDGET MESSAGE: CURRENT OPERATIONS.

The budget message submitted by the City Manager to the Council shall be explanatory of the budget, shall contain an outline of the proposed financial policies of the City for the budget year and shall describe in connection therewith the important features of the budget plan. It shall set forth the reasons for salient changes from the previous year in cost and revenue items and shall explain any major changes in financial policy.

SECTION 1109. BUDGET MESSAGE: CAPITAL IMPROVEMENTS.

As a part of the budget message, with relation to the down-payments and other proposed expenditures for capital projects as stated in the budget, the City Manager shall include a statement of pending capital projects and proposed new capital projects, relating the respective amounts proposed to be raised therefor by appropriations in the budget, and the respective amounts, if any, proposed to be raised therefor from other sources during the budget year.

SECTION 1110. BUDGET MESSAGE: CAPITAL PROGRAM.

The City Manager shall also include in the message, or attach thereto, a program of proposed public improvements for the ensuing five (5) year period prepared by the Planning Commission in accordance with Section 907 (b), together with his comments thereon.

SECTION 1111. FUNDS: GENERAL FUND.

All moneys paid into the City treasury shall be credited to and kept in separate funds in accordance with the provisions of this Charter, State law or ordinance. For the purpose of this Charter, the "General Fund" is established as a medium of control and accounting for City activities other than activities authorized or contemplated by special funds. All revenue and receipts which are not by this Charter, State law or ordinance pledged for special purposes shall be credited to the General Fund.

SECTION 1112. FUNDS: CASH BASIS.

The Council shall maintain a revolving fund to be known as the "Cash Basis Fund" for the purpose of placing the payment of the running expenses of the City on a cash basis. A reserve shall be built up in this fund from any available sources other than restricted funds in an amount which the Council deems sufficient with which to meet all lawful demands against the City for the first five (5) months or other necessary period of the succeeding fiscal year prior to the receipt of ad valorem tax revenues. Transfers may be made by the Council from such fund to any other fund or funds of such sum or sums that may be required for the purpose of placing such funds as nearly as possible on a cash basis. All moneys so transferred from the Cash Basis Fund shall be returned thereto before the end of the fiscal year.

SECTION 1113. FUNDS: CAPITAL OUTLAYS FUND.

A fund for capital outlays generally is hereby created to be known as the "Capital Outlays Funds". The Council may create by ordinance a special fund or funds for a special capital outlay purpose. The Council may levy and collect taxes for capital outlays and may include in the annual tax levy a levy for such purposes in which event it must apportion and appropriate to any such fund or funds the moneys derived from such levy. It may not, in making such levy, exceed the maximum tax rate provided for in this Charter unless authorized by the affirmative votes of a majority of the electors voting on the proposition at any election at which such question is submitted. The number of years in which such increased levy is to be made shall be specified in such proposition. The Council may transfer to any such fund any unencumbered surplus funds remaining on hand in the City at any time.

Once created such fund shall remain inviolate for the purpose for which it was created; if for capital outlays generally, then for any such purposes, and if for a special capital outlay, then for such purpose only, unless the use of such fund for some other capital outlay purpose is authorized by the affirmative votes of a majority of the electorate voting on such proposition at a general or special election at which such proposition is submitted.

If the purpose for which any special capital outlay fund has been created has been accomplished, the Council may transfer any unexpended or unencumbered surplus remaining in such fund to the fund for capital outlays generally, established by this Charter.

SECTION 1114. OTHER FUNDS.

The Council may provide, by ordinance, for the establishment and maintenance of such other special funds as it deems necessary for the proper administration of the fiscal affairs of the City.

SECTION 1115. INDEPENDENT AUDIT.

The Council shall employ at the beginning of each fiscal year an independent accountant, who holds a valid license from the California State Board of Accountancy, who shall audit the books, records and accounts of all officers and employees of the City who receive, administer or disburse public funds, and such other officers, employees, departments and agencies as the Council may direct. Such audit shall be made at such times as may be prescribed by the Council, but shall be at least annually and shall be a complete continuous audit. The Council shall have the right to order a special audit of any particular department or division of the City government at any time. Such accountant at all times shall abide by the current and most accepted standards of municipal accounting.

As soon as practicable after the end of the fiscal year, a final audit and report shall be submitted by such independent accountant to the Council, one (1) copy thereof to be distributed to each member thereof, one (1) copy to the City Manager and City Attorney, respectively, three (3) copies to be placed on file in the office of the office of the City Clerk where they shall be available for public inspection, together with as many more such copies as may be required.

SECTION 1116. BONDED DEBT LIMIT.

The City shall not incur an indebtedness evidenced by general obligation bonds which shall in the aggregate exceed the sum of fifteen (15%) per cent of the total assessed valuation for purposes of City taxation of all the real and personal property within the City, exclusive of any indebtedness that has been or may hereafter be incurred for the purposes of acquiring, constructing, extending or maintaining municipal utilities for which purpose a further indebtedness may be incurred by the issuance of bonds, subject only to the provisions of the State Constitution and of this Charter.

No bonded indebtedness which shall constitute a general obligation of the City may be created unless authorized by the affirmative votes of two-thirds (2/3) of the electors voting on such proposition at any election at which the question is submitted to the electors and unless in full compliance with the provisions of the State Constitution and of this Charter.

SECTION 1117. PUBLIC BID REQUIREMENTS.

Every expenditure of City moneys for public works construction as hereafter defined of more than that amount set forth in Section 20162 of the Public Contracts Code of the State of California shall be let to the lowest responsible bidder after notice of publication in the official newspaper by one (1) or more insertions, the first of which shall be at least ten (10) days before time for opening bids; provided, however, that upon adoption of ordinance by the Council the "Uniform Public Construction Cost Accounting Act" set forth in Chapter 2 (commencing with Section 21000) to Part 3 of Division 2 of the Public Contracts Code, an alternative public bidding procedure, shall be enacted to have the City be subject to such procedure notwithstanding other procedure set forth in this Section.

The Council may reject any and all bids presented and may re-advertise in its discretion. The Council after rejecting bids, or if no bids are received, may declare and determine that, in its opinion, based on estimates approved by the City Manager the work in question may be performed better or more economically by the City with its own employees and after the adoption of a resolution to this effect by at least five (5) affirmative votes of the Council may proceed to have said work done in the manner stated, without further observance of the provisions of this Section.

Such expenditures may be made without advertising for bids, if such expenditures shall be deemed by the Council to be of urgent necessity for the preservation of life, health or property and shall be authorized by resolution passed by at least five (5) affirmative votes of the Council and containing a declaration of the facts constituting the urgency.

All bids for public works construction shall be accompanied by either a certified or cashier's check or a bidder's bond executed by a corporate surety authorized to engage in such business in California made payable to the City. Such security shall be in an amount not less than that specified in the notice inviting bids or in the specifications referred to therein, or if no amount be so specified, then in an amount not less than ten (10%) percent of the aggregate amount of the bid. If the successful bidder neglects or

refuses to enter into the contract within the time specified in the notice inviting bids or specifications referred to therein, the amount of the bidder's security may be declared forfeited to the City and may be collected and paid into its General Fund and all bonds so forfeited shall be prosecuted and the amount thereof collected and paid into such fund.

For the purposes of this Section, public works construction shall be defined as a project for the erection or improvement of public buildings, streets, drains, sewers, parking lots, parks or playgrounds, provided, however, that expenditures for the extension, improvement or development of the City water system shall be excepted from the requirements of this Section. Maintenance or repair of public buildings, streets, drains, sewers, parking lots, parks or playgrounds shall not be considered as public works construction. The provisions of this Section shall not apply to materials, supplies or equipment obtained or purchased from any governmental agency, or for materials, supplies or equipment which can be obtained from only one vendor.

All bids shall be sealed and be filed with the officer in charge of the purchasing function no later than the opening time specified in the notice inviting bids, who shall receive and be custodian of such bids and keep the same confidential until they are opened and declared.

All bids shall be publicly opened and declared at the time and the place fixed in the notice inviting bids.

Thereafter, the bids shall be tabulated and analyzed by the officer in charge of the purchasing function, who shall submit them, together with recommendations thereon, to the City Manager. The City Manager shall review the bids and submit them to the Council, along with his recommendations, at the next regular meeting of the Council.

The Council shall have the right to waive any informality or minor irregularity in a bid.

SECTION 1118. CONTRACTS FOR OFFICIAL ADVERTISING.

The Council shall let annually contracts for the official advertising of the City for the ensuing fiscal year. In the event there is more than one daily newspaper of general circulation published and circulated in the City, the Council shall advertise for one (1) day, in one (1) or more such papers, setting forth distinctly and specifically the work contemplated to be done, and asking for sealed proposals therefore. The proposals shall specify the type and spacing to be used at the rate or rates named in the bids. The Council shall let the contracts for such official advertising to the lowest responsible bidder publishing a daily newspaper in the City which is a newspaper of general circulation and has been in existence at the time of awarding the contract at least one (1) year; provided that the Council may reject any or all bids and advertise for new bids.

SECTION 1119. PRESENTATION OF DEMANDS.

Demands against the City shall be presented and audited as prescribed by ordinance. No suit shall be brought for money or damages against the City or any

board, commission, or officer thereof until a claim or demand for the same has been presented and such claim and demand has been rejected in whole or in part. If rejected in part suit may be brought to recover the whole. Failure to complete action approving or rejecting any claim or demand within sixty (60) days from the day the same is presented shall be deemed a rejection thereof.

SECTION 1120. CENTRALIZED PURCHASING PROCEDURE.

Under the control and direction of the City Manager there shall be established a centralized purchasing system for all City departments and agencies, which system shall be consistent with all the provisions of this Charter. When making purchases for the City, merchants with places of business located within the City shall be given preference if service, quality and prices are equal.

SECTION 1121. REGISTERING WARRANTS.

Warrants on the City treasury which are not paid for lack of funds shall be registered. All registered warrants shall be paid in the order of their registration when funds therefore are available and shall bear interest from the date of registration at such rate as shall be fixed by the Council.

SECTION 1122. TAX LIMITS.

- (a) General. The Council shall not levy a property tax for municipal purposes in excess of One and fifty five/100ths (\$.55) Dollars on each One Hundred and no/100ths (\$100.00) Dollars of the assessed value of taxable property in the City, except as otherwise provided in this Section, unless authorized by the affirmative votes of a majority of the electorate voting on a proposition to increase such levy at any election at which the question of such increased levy for municipal purposes is submitted to the electors. The number of years for which such increased levy is to be made shall be specified in such proposition.
- (b) Additional Taxes. There shall be levied and collected, as additional taxes, at the time and in the same manner as other property taxes for municipal purposes are levied and collected if no other provision for the same is made:
 - (1) A tax sufficient to meet all liabilities of the City for principal and interest of all bonds or judgments due and unpaid, or to become due during the ensuing fiscal year, which constitute general obligations of the City; and
 - (2) A tax sufficient to meet all obligations of the City to the State Employees' Retirement System, or other system for the retirement of City employees, due and unpaid or to become due during the ensuing fiscal year.
 - (3) The tax provided for in Subdivision (b)(2) of this section shall not be collected at a rate exceeding 7.7 cents on each One Hundred and no/100th (\$100.00) Dollars of assessed value.

SECTION 1123. CONTROL AND USE OF MUNICIPAL UTILITY FUNDS.

All revenue derived from the operation of each municipal utility shall be kept separate and apart from all other moneys of the City and shall be applied in the following order:

- (a) For the payment of interest on the bonded debt incurred for the construction, acquisition, operation or extension of such utility;
- (b) For the payment, or provision for the payment, of the principal of said debt as it may become due;
- (c) For capital expenditures of such utility;
- (d) For the annual payment into the Depreciation Reserve Fund of a sum which, according to the estimate of the City Manager, and approved by the Council, shall be sufficient to meet the normal depreciation of said utility. Such depreciation funds shall be used only for the replacement, betterment or extension of said utility. Any reserve for depreciation of such utility accumulated prior to the effective date of this Charter shall be paid into said Depreciation Reserve Fund and shall be subject to the provisions of this Section covering said Fund;
- (e) For the payment of the operating and maintenance expenses of such utility; and
- (f) The remainder may be paid into the General Fund.

SECTION 1124. SALE OF PUBLIC UTILITIES.

No public utility now or hereafter owned or controlled by the City shall be sold, leased or otherwise transferred unless approved by the affirmative vote of the majority of the electors voting on such proposition at a general or special election at which such proposition is submitted.

ARTICLE XII. FRANCHISES

SECTION 1200. FRANCHISES TO OPERATE.

No person, firm or corporation shall exercise any public utility franchise right or privilege in the City except insofar as he or it may be entitled to do so by direct grant by the Constitution of the State of California or of the United States of America, unless he or it shall have obtained a grant therefore in accordance with the provisions of this Article of this Charter and in accordance with the procedure prescribed by ordinance. Until such a procedural ordinance shall hereafter be adopted, the method provided by any law of the State relative to the granting of a franchise of the character of that for which application is being made shall apply. Nothing contained in this Article shall be construed to invalidate any lawful franchise heretofore granted nor to necessitate the obtaining of a new franchise for a use for which a franchise holder shall have a valid unexpired franchise. Nothing contained in this Article shall be construed as applying to or requiring the operators of refrigeration or storage utilities or the carriers of freight or passengers not operating over a fixed route to obtain a franchise to operate within the City unless required so to do by ordinance of the City of Watsonville.

SECTION 1201. AUTHORITY TO GRANT FRANCHISES.

The Council is empowered to grant by ordinance a franchise to any person, firm or corporation, whether operating under an existing franchise or not, to engage in the

business of furnishing the City and its inhabitants with any public utility or service, or to use the public streets, ways, alleys and places, as the same may now or may hereafter exist, either separately or in connection therewith.

SECTION 1202. FRANCHISE TERMS, CONDITIONS AND PROCEDURES.

The Council, by ordinance, shall prescribe the terms and conditions under which franchises will be granted, subject to the provisions of this Charter, and the procedure for granting franchises; provided, however, that such procedural ordinance or ordinances shall make provisions for the giving of public notice of franchise applications, for protests against the granting of such franchise and for public hearings on such applications.

The Council, in granting franchises, shall prescribe the terms and conditions of such franchises in accordance with the applicable provisions of this Charter and any ordinance adopted pursuant thereto, and may in such franchise impose such other and additional terms and conditions not in conflict with said Charter or ordinances, whether governmental or contractual in character, as in the judgment of said Council are in the public interest or as the people, by initiative, indicate they desire to have so imposed.

SECTION 1203. METHOD OF GRANTING FRANCHISE.

The Council may grant a franchise without calling for bids or may, in its discretion, advertise for bids for the sale of a franchise upon a basis, not in conflict with the provisions of this Article, to be set out in the advertisement for bids and notice of sale.

SECTION 1204. TERM OF FRANCHISE.

Every franchise shall be for either a fixed term or for an indeterminate period. If for a fixed term, the franchise shall state the term for which it is granted; if indeterminate, it shall set forth the terms and conditions under which it may be terminated.

SECTION 1205. PURCHASE OR CONDEMNATION BY CITY.

No franchise grant shall in any way or to any extent impair or affect the right of the City now or hereafter conferred upon it by law to acquire the property of the grantee thereof either by purchase or through the exercise of the right of eminent domain, and nothing herein contained shall be construed to contract away or to modify or to abridge either for a term or in perpetuity the City's right of eminent domain with respect to any public utility.

SECTION 1206. ADEQUATE COMPENSATION.

No new franchise or the renewal of an existing franchise shall be granted without reserving to the City just and adequate compensation.

SECTION 1207. EXERCISING RIGHT WITHOUT FRANCHISE.

The exercise by any person, firm or corporation of any privilege for which a franchise is required without procuring such franchise shall be a misdemeanor, and each such day that such condition continues shall constitute a separate violation.

SECTION 1208. ARTICLE NOT APPLICABLE TO THE CITY.

Nothing in this Article shall be construed to apply to the City, or any department thereof, when furnishing any public utility or service.

SECTION 1209. PRESERVATION OF RIGHTS.

Nothing contained in this Article shall be construed to affect or impair any rights, powers or privileges vested in, possessed by or available to the City by virtue of previous Charter provisions relating to franchises.

ARTICLE XIII. ELECTIONS

SECTION 1300. GENERAL MUNICIPAL ELECTIONS.

A General Municipal Election shall be held on the first Tuesday following the first Monday in November of each even numbered year, commencing with the year 1994, for the election of officers and for such other purposes as the Council may prescribe.

SECTION 1301. SPECIAL MUNICIPAL ELECTIONS.

All other municipal elections which may be held by authority of this Charter, or by any law, shall be known as Special Municipal Elections.

SECTION 1302. PROCEDURE FOR HOLDING ELECTIONS.

Unless otherwise provided by ordinances hereafter enacted, all elections shall be held in accordance with the provisions of the Elections Code of the State of California, as the same now exists or may hereafter be amended, for the holding of elections in cities, insofar as the same are not in conflict with this Charter.

SECTION 1303. FIRST ELECTION UNDER CHARTER.

The powers of the initiative, the referendum and the recall of elected municipal officers are hereby reserved to the electors of the City. Unless otherwise provided by ordinances, hereafter enacted, the provisions of the Elections Code of the State of California, as the same now exist or may hereafter be amended, governing the initiative, the referendum and the recall of municipal officers, shall be applicable insofar as the same are not in conflict with this Charter.

ARTICLE XIV. SCHOOL SYSTEM

SECTION 1400. EFFECT OF CHARTER.

The organization, government and administration of the public school system in the City of Watsonville shall not be affected by the adoption of this Charter, but shall continue in existence as is now or hereafter prescribed by the Education Code of the State of California.
