The parties hereto agree to jointly recommend to the City Council of the City of Watsonville that one or more resolutions be adopted effectuating the following changes in the salaries, benefits, and other terms and conditions of employment for said employees in the Public Works Unit.

This Agreement shall become effective September 1, 2017, and shall terminate on June 30, 2020.

All benefits currently in effect and not modified by this Agreement shall remain in effect for the term of this Agreement, except as provided herein.

1.0 COMPENSATION

1.1 Salary Adjustment

1.1.1 Employees in the bargaining unit shall receive a 3% salary increase effective the first full pay period on or after July 1, 2017.

1.1.2 Employees in the bargaining unit shall receive a 2% salary increase effective the first full pay period on or after July 1, 2018.

1.1.3 Employees in the bargaining unit shall receive a 3.75% salary increase effective the first full pay period on or after July 1, 2019.

1.1.4 The City agrees to update the comparable survey cities and benchmark positions and will complete a comprehensive, City-wide compensation survey. The parties agree to meet and confer over the survey cities and benchmark positions with the intent of completing the survey by January 2019.

1.2 Overtime

1.2.1 Time and one-half will be paid for all overtime over the normal 40-hour work period. Paid time off shall be counted
as time worked. Employees working in the City’s Solid Waste, Water or Wastewater operation are exempt from this schedule and will work pursuant to the paragraph 1.2.2.

1.2.2 Employees of the City’s Solid Waste, Water or Wastewater operations will be paid time and one-half for all overtime over the normal 40-hour work period. Any employee of the Solid Waste, Water or Wastewater operations working on a holiday will be paid straight time for the day plus time and one-half for the hours worked on the holiday.

1.2.3 In the event that an employee has worked in excess of eight (8) hours on any day(s) of the week up to Friday, the employee may take off the amount of hours which he has worked in excess of forty (40) hours in that work week. This option is available on Fridays and shall occur only with the permission of the supervisor. If the supervisor does not allow the option or if the employee elects not to take time off, the employee shall receive overtime compensation.

1.2.4 Employees may maintain a compensatory bank of up to 40 hours. Upon utilization of compensatory time and reducing accruals below the 40 hour limit, employees may earn additional compensatory time off.

Use of compensatory time off shall be subject to the approval of the Department Head and may not interfere with the efficient operation of any department.

1.2.5 Any employee who works six (6) straight days without two days off will receive one and one half (1 1/2) times their regular rate for hours worked on the seventh day and thereafter until the employee has two days off.

1.3 **On Call/Call Back Pay**

Covered employees who are required to be on call shall be compensated at the rate of Two Hundred and Eighty Dollars ($280.00) per week in addition to their regular pay. Covered employees who are called back to work shall receive a minimum of three (3) hours overtime compensation except when such recall is an extension of their regular workday, either before or after the assigned work period. The three-hour minimum covers all calls completed within the three hour period.

*Daily On-Call:* Employees shall receive $30/day for daily on-call which shall be assigned when it is anticipated that special circumstances may occur that would require work during periods
other than the normal work hours. Such special circumstances include, but are not limited to, forecasts of heavy rains and/or flooding, earthquake and other natural disasters, and special events. Notice regarding the need for on-call status would be given to employees as soon as such need is known but no later than 8 hours prior to the start of the on-call status period. On-Call will first be assigned to volunteers in the classification deemed necessary for the on-call work. If there are insufficient volunteers, daily on-call will be assigned in inverse order of seniority.

1.4 Bilingual Pay

In order to receive Level I Written and/or Conversational Premium Pay employees proficient in the Spanish language must meet the following criteria:

(a) Employee passes the City’s bilingual competency test as administered by the Human Resources Department on an annual basis to maintain the premium pay. The City Manager may waive the annual testing requirement for individuals upon recommendation of the department head. Annual basis refers to the fiscal year; and

(b) The employee is required to serve as an oral interpreter and/or provide basic written translations on a regular and ongoing basis, as certified by the Department Head.

1.4.1 Level I Written and Conversational Premium Pay:

(a) Employees proficient in the Spanish Language shall receive premium pay equal to five (5%) percent of base salary, as of November 1, 2006.

(b) For employees hired after November 1, 2006, the City shall pay a stipend of $250/month for employees eligible for Level I Written and Conversational Bilingual Premium Pay. Employees who receive the 5% may irrevocably opt into the $250/month stipend.

1.4.2 Level I Conversational Only Premium Pay:

(a) For employees who become eligible and receive Level I Bilingual Conversational Premium Pay on or after July 1, 2013 the City shall pay a stipend of $75/month, pro-rated for part-time, regular employees.
(b) Employees currently receiving Level I Written and Conversational Bilingual Premium Pay pursuant to Section 1.4.1 shall continue to receive the premium pay.

1.4.3 Level II Premium Pay:

In addition to the Level I stipend for Written and Conversational bilingual competency, the City will designate a limited number of staff as Level II Bilingual Translators. Such Level II Bilingual Translators shall perform written translations that are viewed by a large audience of City residents (i.e. City mailers, City Council minutes, inserts in City utility bills, etc.)

(a) Level II Translators shall receive an additional $100/month.

(b) To evidence competency as a Level II Translator, employees must pass a skills-based test administered by the City to demonstrate competency in written translation.

1.4.4 Testing:

The City will provide a Level I and Level II bilingual test to interested and eligible members of this unit, within 60 days of the ratification and approval of this contract by City Council.

1.5 Employee Retirement Contribution

1.5.1 The City agrees to contribute to the California Public Employees’ Retirement System (CalPERS) on behalf of each employee, seven (7%) percent of the employee’s compensation upon which retirement contributions are calculated (hereinafter “7%”). Effective the first pay period in January 2007 following City Council approval the City contribution shall be reduced to four (4%) percent of the employee’s compensation. Said contributions shall be considered deferred compensation, not salary, and shall be credited to the employee’s retirement account. Any future income tax obligation resulting from these contributions shall be the exclusive responsibility of the employee. In the event the Internal Revenue Service shall change its current position and determine that such contributions constitute salary, not deferred compensation, any resulting tax obligations shall be the exclusive responsibility of the employee and the City shall not be held responsible therefore.

Effective the first full pay period after July 1, 2013, each employee agrees to contribute an additional – four percent
(4%) of compensation towards the employee share of retirement contribution. Therefore, the employee will pay the full seven percent (7%) of the employee share effective the first full pay period on or after July 1, 2013.

1.5.2 Pursuant to California Public Employees' Pension Reform Act of 2013 (PEPRA), employees hired on or after January 1, 2013 shall pay at least 50% of normal cost of pension or what is determined by CalPERS to be the employee contribution rate.

1.5.3 Retirement Tax Deferment:

The City shall maintain the IRS Sec. 414(h)(2) provision allowing employees to make employee retirement contributions with pretax (tax deferred) dollars.

1.6 Temporarily Working Out of Classification

In every City department subordinate employees are expected to act as relief for their superiors. Employees also may be assigned to a higher classification which is vacant due to the absence or resignation of another employee. This provides training opportunities to help qualify employees to successfully compete for future promotion. Acting as relief for a lengthy period, however, should be recognized by added compensation since a higher level of continuing responsibility is involved.

Procedure. With prior management approval whenever a subordinate employee acts as relief and must perform substantially higher duties for a superior for more than fifteen (15) cumulative eight-hour working days in a fiscal year, an appropriate salary adjustment shall be made pursuant to these rules. Individuals working out of class as landfill operators will receive working out of class pay beginning on the 6th cumulative day working at the landfill in any fiscal year.

The salary adjustment shall become effective on the 16th day of the temporary assignment and shall not be retroactive. Upon returning to the responsibility of his/her normal position, salary shall be returned to the normal level.

Compensation for work out of classification will be the lowest step in the higher salary range with pay which provides a minimum increase of five (5%) percent above the normal rate of pay for the employee.
1.7 **Tanker Truck Differential**

Integrated Waste Workers will receive 5% in addition to their base pay for any shift in which all or part of the shift is spent driving the tanker truck.

1.8 **Certification Pay**

Any incumbent who obtains a certification in a grade above that required for the incumbent’s certification level will receive $50/month per additional certification level up to a maximum of $100/month. For purposes of these higher than required certification levels discussed in this paragraph, the following job classifications will be added to those who are eligible to receive this additional certification pay:

- Utility Workers
- Wastewater Operator I/II
- Wastewater Operator III
- Water Quality Chemist
- Water Quality Laboratory Technician
- Water Operator I

- Senior Water Operator
- Utilities Maintenance Mechanic

The City Manager and Department Head shall have the discretion to designate additional classifications eligible to receive certification pay and to designate the type of eligible certification.

Certification pay will become effective the first full pay period after proof of certification is received by Human Resources.

1.9 **Street Sweeper Citation Differential**

Employees assigned to operate the Street Sweeper who are trained and certified to issue citations shall receive a differential of five percent (5%).

1.10 **Differential Pay for Temporary Schedule Changes**
Employees who are temporary required to work a schedule other than their regular assignment that results in working more than four (4) hours during the hours of six (6) p.m. to six (6) a.m. for more than five (5) working days, shall receive an additional 5% differential for the duration of the assignment.

2.0 INSURANCE

2.1 Health Insurance

2.1.1 The City shall retain in effect current health insurance coverages for all Unit employees. The City shall contribute the following monthly amounts for each employee towards health insurance coverages:

July 1, 2017 $1,134.82

For full time employees in the following classifications the City shall contribute an additional $26 dollars per month towards health insurance coverages: Solid Waste Aides

2.1.2 If contribution increases are necessary for the 2018 and 2019, and 2020 plan years, the City and Employee contribution shall be shared equally, provided that increased City and Employee contributions do not exceed $45/month per employee.

Should insurance plan changes result in City costs below current costs, the intent of the parties is that the savings shall benefit both the bargaining unit and City equally.

2.1.3 Regular part-time employees will be fully covered at the employee only level at the City's expense. The employee shall have the option of covering additional dependents at their own expense. This shall be determined by utilizing the three-tier rate which the City has established for the COBRA and other purposes (less any surcharges). To cover one (1) dependent, the employee will pay the difference between the employee only rate and the employee plus one rate. To cover the family, the employee will pay the difference between the employee only rate and the full family rate under the three tiers.

The decision to cover family members shall be made during a one time election when this provision becomes effective. Thereafter, employees may only add or delete family members in accordance with plan rules.
Regular part-time employees employed on or before December 1, 1998, in the thirty (30) hour category, shall continue to receive full health insurance benefits.

2.1.4 For any member of the Unit who expires all leave due to illness or injury, which is not a Workers Compensation claim, the City shall maintain the health insurance coverage and pay the premium on behalf of the member for an additional thirty (30) days.

2.1.5 The Unit agrees to participate jointly with the City and other employee groups in review of insurance coverages during the term of this agreement. Upon health insurance committee recommendations to change or modify insurance coverages; the parties agree to reopen negotiations on this issue only.

2.2 Excess Disability Insurance

2.2.1 In the event of job-related injury or illness, the employee will receive the maximum weekly Workers Compensation benefit as determined by State law.

2.2.2 In addition to this amount, the employee may receive an appropriate amount of accrued sick leave pay to provide for the difference between the established Workers Compensation amount and the employee’s regular gross pay.

2.2.3 The employee may also receive Fifty Dollars ($50.00) per week extra disability coverage in lieu of accrued sick leave pay.

2.2.4 In no event shall the combination of Workers Compensation benefits exceed the regular gross pay of the affected employee.

2.2.5 It shall be the responsibility of the employee to notify the Finance Department within three (3) days of the injury or illness if the extra coverage option described in Section 2.2.3 above is to be implemented.

2.2.6 Absent notification to the contrary, the Finance Department will automatically apply accrued sick leave with the established Workers Compensation amount to equal the employee’s gross pay.
2.2.7 The Fifty Dollars ($50) per week excess coverage shall not apply until the seventh (7th) calendar day following the injury or illness event.

2.3 State Disability Insurance

Unit members participate in the State Disability Insurance Program at their own expense. Unit members shall not be required to exhaust paid leave prior to receiving State Disability Insurance payments. State Disability Insurance payments shall be integrated with existing paid leave, however, so that employee’s net pay does not increase when receiving SDI.

3.4.2 The maximum accumulation of unused sick leave is 125 days (1,000 hours). Sick leave accumulated in any calendar year in excess of 125 days (1,000 hours) shall be paid at the rate of 50% of such excess on the first payroll in December. The balance of such unused sick leave is lost and the sick leave accrual is reduced to 125 days (1,000 hours).

3.4.3 Employees shall cease accruing sick leave after eighty (80) consecutive hours on paid sick leave.

3.4.4 In the event of an illness in the immediate family, an employee shall be granted accrued sick leave not to exceed one half of the employee’s annually accrued sick leave. In cases involving out-of-state funerals, an additional two (2) days may be granted. Additional time off for this purpose must be vacation, C.T.O., or unpaid leave. Bereavement leave must be approved by the Department head.

3.5 Family Care and Medical Leave Policy

3.5.1 In accordance with the Federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), the City of Watsonville (City) will provide unpaid family and medical care leave for eligible employees for up to 12 weeks per 12-month period for the following reasons only:

An eligible employee is entitled to up to twenty-six (26) workweeks of military caregiver leave during a single twelve (12) month period. The twelve (12) month period begins on the first day the employee takes leave and ends twelve (12) months after that date. Unlike other types of family medical leave, military caregiver leave is a one-time entitlement only; it does not renew annually. This leave entitlement does not increase the amount of leave an employee may take for other FMLA/CFRA qualifying reasons during the single 12-month period. For example, an employee may combine military caregiver leave with other types of family medical leave during a single 12-month period. However, the employee is limited to taking a maximum of twenty-six (26) weeks of leave in such circumstances.

Military caregiver leave is if to care for a military service member who is undergoing treatment for a serious injury or illness incurred in the line of active duty, or a veteran who is being treated for a serious injury or illness that occurred in the line of active duty during the five years preceding the date of treatment, if the employee is the spouse, domestic partner, child, parent or next of kin of the service member (“Military Caregiver Leave”).

When applicable, an eligible family member make take the qualifying exigency leave up to a maximum of fifteen (15) days to match a military member’s Rest and Recuperation leave orders.

3.5.2 An employee is eligible for leave if the employee:

a. Has been employed for at least 12 months; and

b. Has been employed for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave,

3.5.3 If an employee requests leave for any reason permitted under this policy, he/she must exhaust all accrued leaves (except
sick leave) in connection with the leave. The exhaustion of accrued leave will run concurrently with the leave under this policy.

If an employee requests leave for his/her own serious health condition, in addition to exhausting accrued leave, the employee must also exhaust accrued sick leave. Workers compensation disability leave will run concurrently with family leave.
